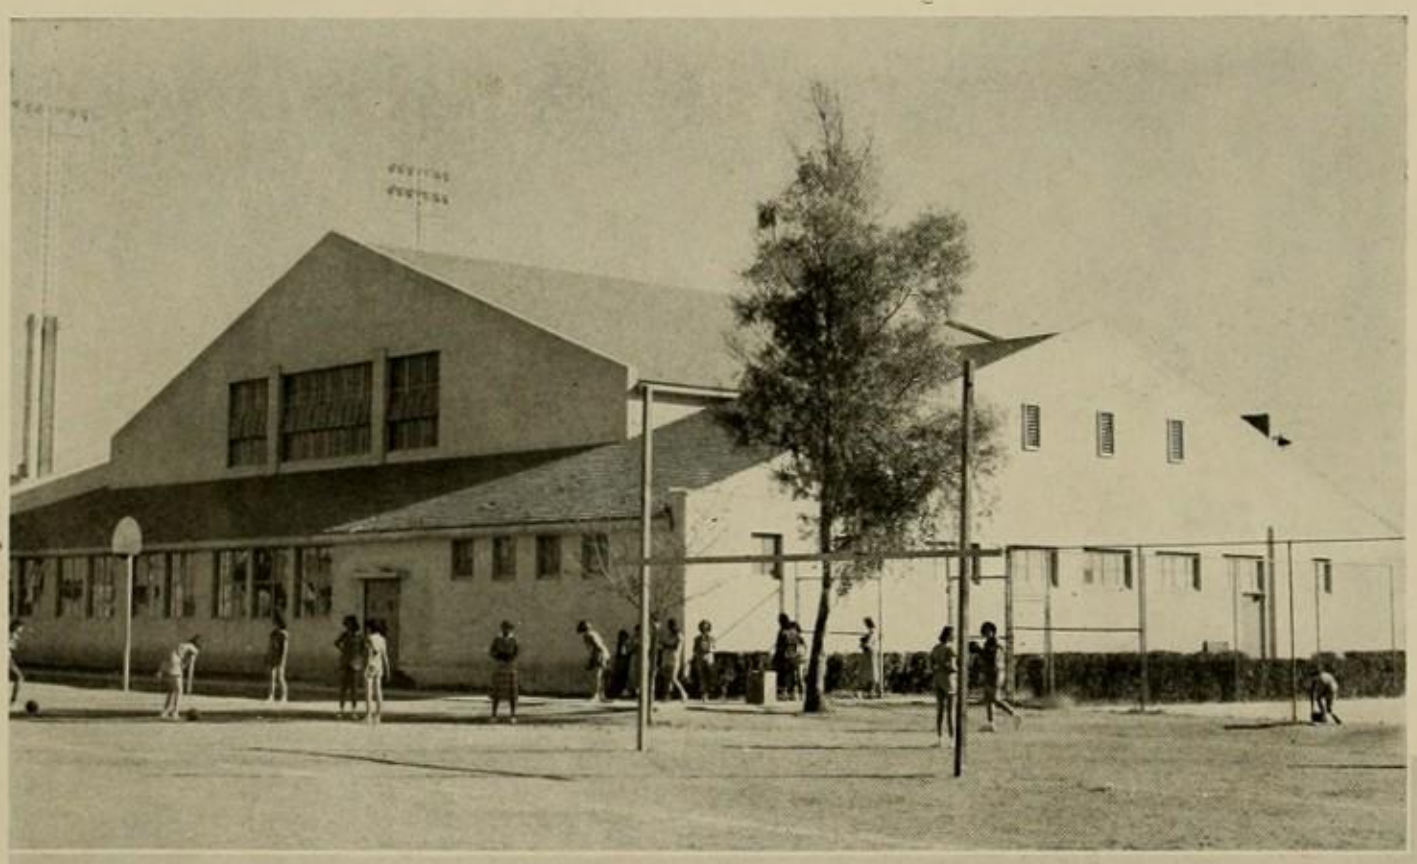
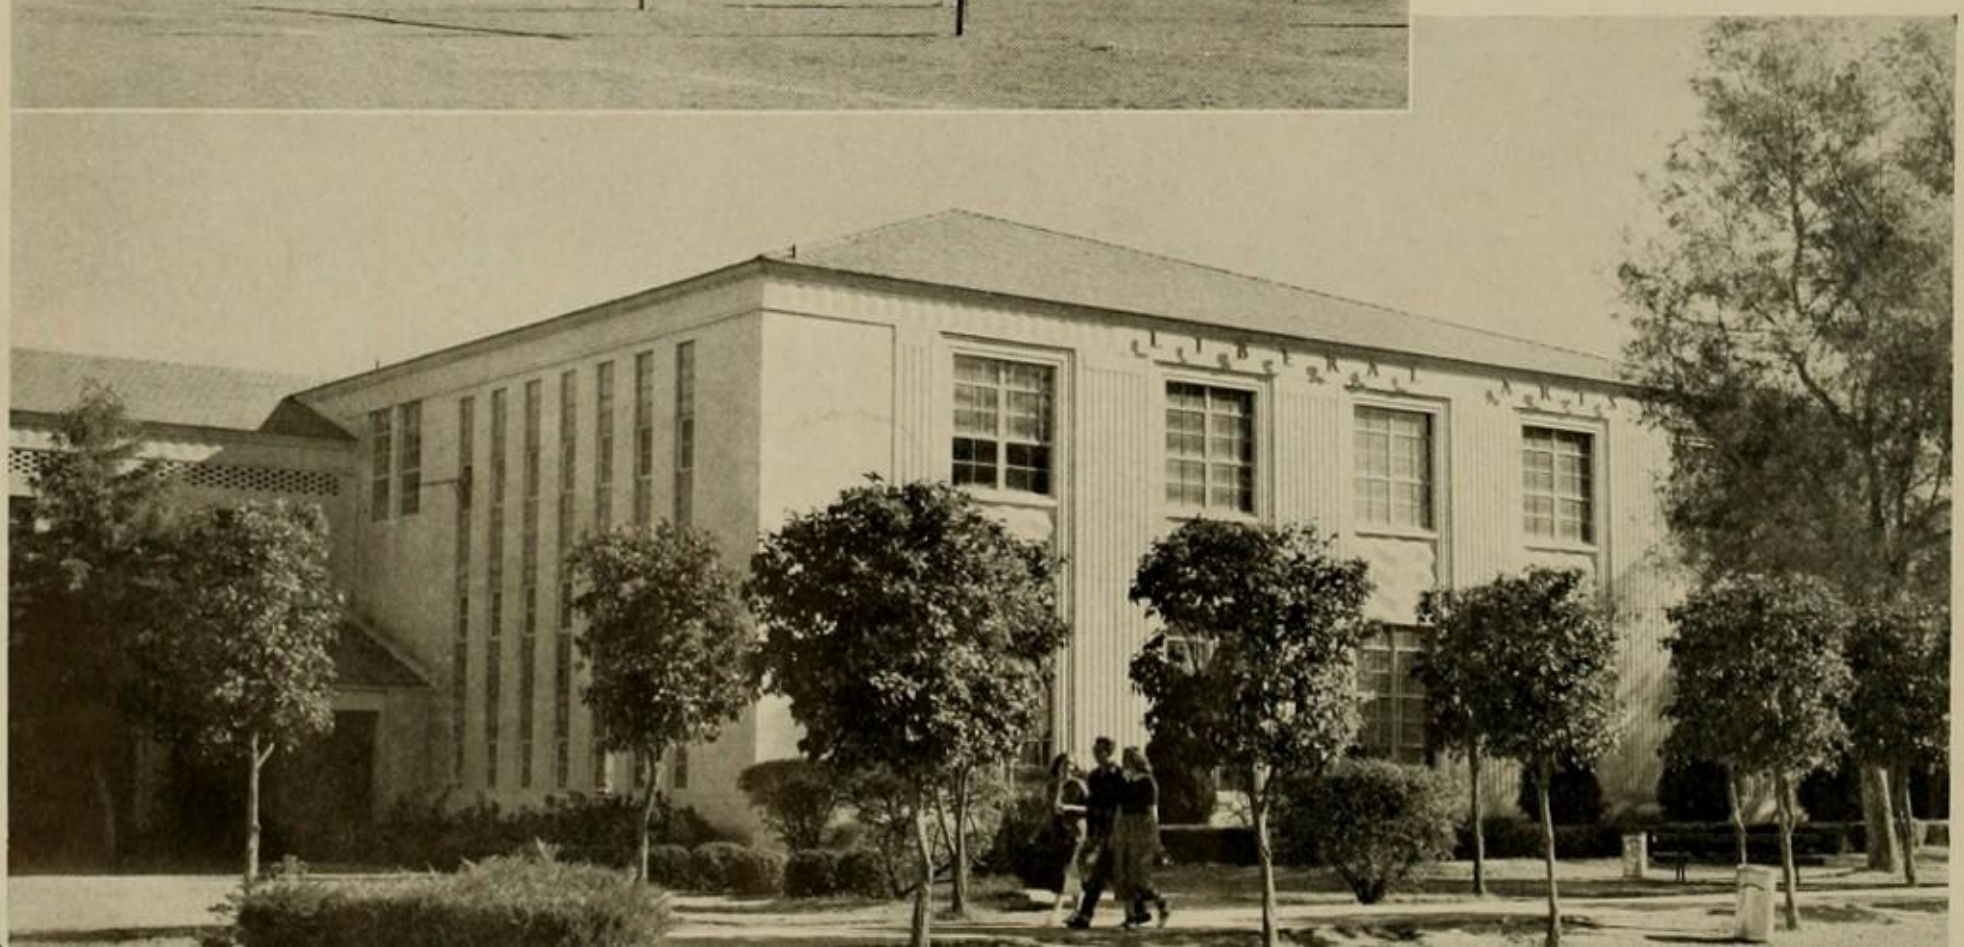
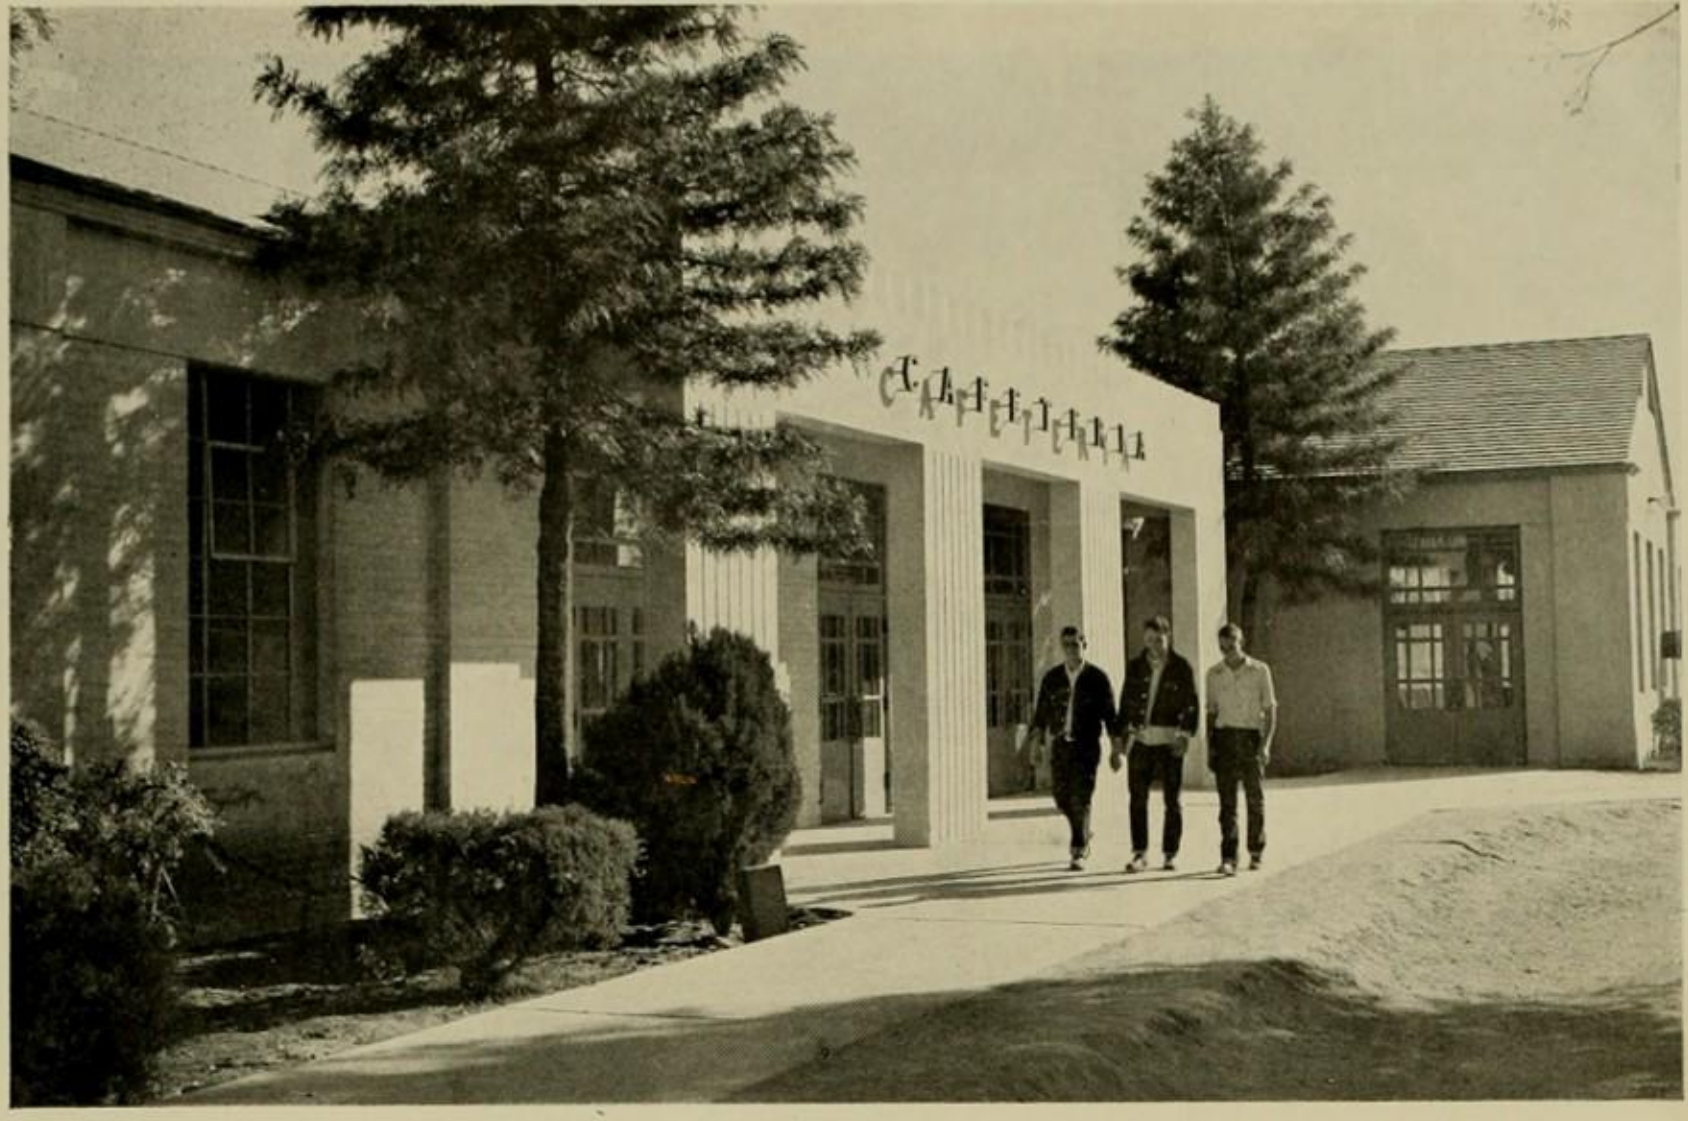
NORTH PHOENIX HIGH SCHOOL







WELCOME

Time changes everything, but our campus essentially stays the same. While the outside world passed through strife and want, our campus retained its quiet dignity. Our students have come to know and love this spacious campus, with its calm air of friendliness.

Foreword

In 1939 North Phoenix opened its doors to high school students. Since that time there has been an endless procession of boys and girls entering as freshmen, advancing into the ranks of upperclassmen and, eventually, earning their diplomas to join still another class—the alumni.

These students all shared some things in common — a highly qualified faculty to guide their footsteps, a beautiful campus to use and to be proud of, new buildings with modern equipment, and all the extra-curricular activities the school had to offer.

During the years many changes took place in our school and country. Our school was enlarged by an addition of a north wing to the Science Building. The cafeteria underwent many changes to become the up-to-date establishment it is today. And, last, but not least, the Mustang Corral came into being.

In the midst of all this growth came Pearl Harbor! Our students served their country with the same fierce loyalty they served their school.

That war is nothing but a rapidly fading memory to us now. Four years have passed since then. In that time a United Nations was set up bringing with it the problems of every country in the world. Great scientists split the atom, unleashing hidden stores of atomic energy. And we, in America, became thankful of our democratic government, as we watched Communism seep into Europe.

Yes, this last decade in which we have lived has brought many changes. But have these changes affected us? Could we stand by, watching all this, and yet keep our minds focused on our own scholastic affairs? Have we been deaf to the cries for "help" from all over the world?

We can answer those questions, but we would rather have you find those answers for yourself in the pages to follow. And so with that purpose in mind, we present to you a living picture of youth today—"The High School Boy and Girl of 1949."

Giving Generously

When students at North High are thanked for their kindness and generosity in contributing to some drive, they're apt to blush and mumble something like, "Oh, it wasn't much," and turn away in embarrassment.

When they adopted schools and children in Europe for the Save the Children Campaign; when they sent Care packages overseas; when they contributed to the Red Cross and March of Dimes; and when they sent food, clothing, and toys to families all over the Valley for Christmas, they weren't doing it for praise—they were doing it because they wanted to help those in need.

Even though it meant giving up a show and a malt now and then, it was a pledge they wanted to keep and a goal they reached.

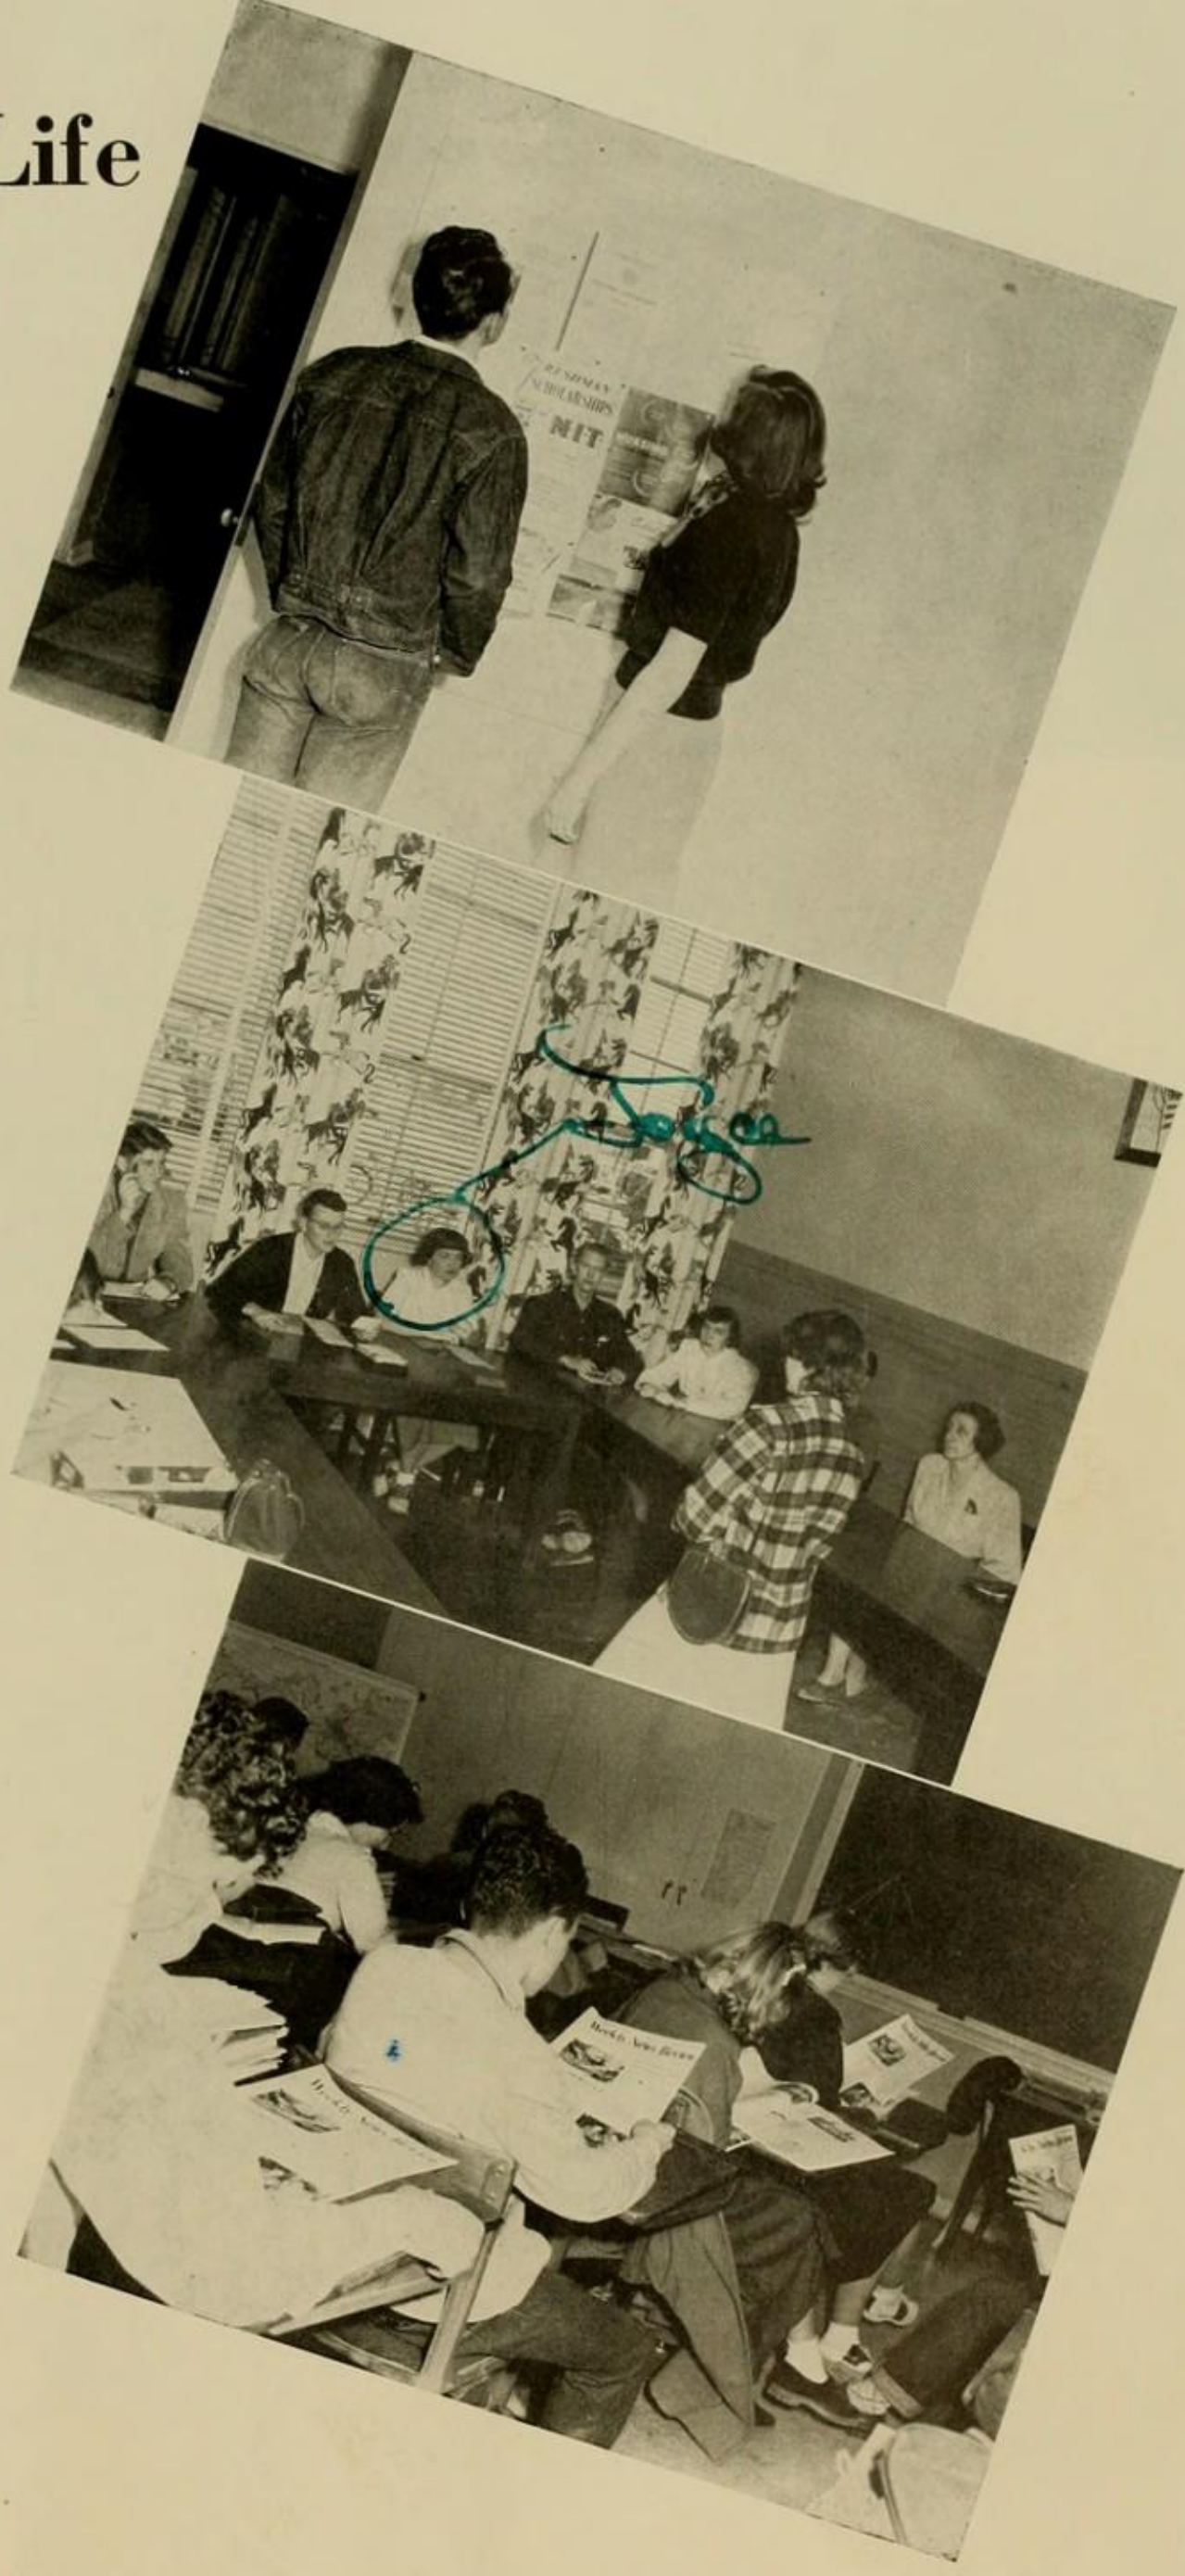
On Sadie Hawkin's Day, Frances Warner "caught up" with her man for the dance that night.

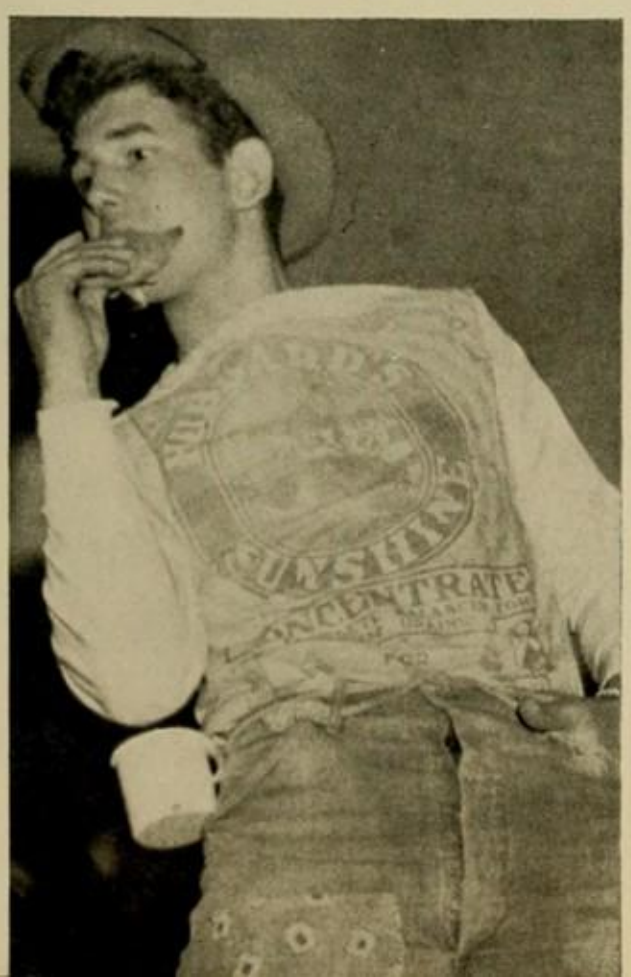
Preparing For Life

"What does the future hold in store for me?" was the question many seniors were asking themselves this semester. However, with the helpful college information posted on the bulletin board in the Deans' Office, and the wise counsel of the deans themselves, the question, in most cases, was answered.

Throughout the Southwest, North High is known for its completely student-organized government. The Honor Court, composed of student judges elected by their classmates, "tries" those accused of a misdemeanor and hears their side of the case.

Communism, the Marshall Plan, and the United Nations are familiar terms to high school students, who realize the importance of understanding those international problems which confront the world today.





The man she caught was Phil Lowell, who could not run quite fast enough.

We Were Well Represented

Students of North Phoenix High School are proud—proud of each and every fellow student who goes forth to represent them. They have pride in their athletic teams, when they win or when they lose a fairly fought game; in the Band for its many outstanding performances; in the Art, Drama, and Journalism Departments, for emphasizing the cultural side of life; in student government, through which all can speak; and in the loyal spirit banding all Mustangs together under the name of the school. They are thankful and grateful to know that they have these opportunities to prepare them for their place in the future.

In the fall of 1946 a new man came into our midst to assume many varied tasks. Soon every student on the campus began to recognize and look forward to his cheery smile or greeting. In three years he has won for himself a warm spot in the hearts of all who know him.

And so, with pride, we dedicate this annual to Mr. James I. Stewart, our Principal and friend.

The School Government

Students at North High regard their teachers as friends, as well as instructors. Often when a lively argument on a very controversial matter is suppressed by the bell, students drop in at the end of the day to continue the discussion.

There is, also, many an after-school visitor when a recent lesson has proved to be especially confusing; or perhaps it is just a cordial visit to discuss the day's events.

THE PRINCIPAL: Mr. James I. Stewart.

Friend And Fellow Mustang

A long procession of students, teachers, and parents constantly passes through the waiting room of the Principal's Office, awaiting an opportunity to confer with the Principal, Mr. James I. Stewart, on matters concerning the school, the community, and the students over individual problems. They are confident of his warm reception for they know that he is never too busy to discuss with them and help them to solve even the smallest of their problems.

Mr. Stewart is held in high esteem by all those who know him. The students of North High cherish his warm, friendly greeting as they meet him on the campus, for they know he is a friend to each and every one of them as well as the leader of the entire school and student body.

Secretary to Mr. Stewart is Miss Barbara Patterson. She attends to the many routine details of the office. Assisting her is Mrs. Rebecca Clingman. They write the morning bulletin and supervise the broadcasting of announcements. The lost and found department is also located in the Principal's Office.

Returns, Records, Reports

The many details connected with the managing of attendance records and registration are efficiently taken care of by the secretaries in the registrar's office. Each morning they issue return slips to a great many students and help them solve their individual problems.

One of the major problems facing students is the choice of the course they wish to follow. The guidance of Mr. Charles Burton, Registrar, in matters of this sort can always be counted on to be for the benefit of the students.

A new position this year, that of Assistant Registrar, has been carefully filled by Mr. Dale Brooks.

More Than A Store—An Institution

Whenever a pencil, notebook, or any type of school supply was needed, a trip to the Bookstore was in order. Before and after school as well as during the lunch periods, students could be seen patiently awaiting their turn at the counter.

The little school "specialities," such as red and blue Mustang stickers for books and windows, fountain pens with a horse's head on them, and so on, were also sold through the Bookstore. The seniors were good customers throughout the year, as they stood in line for class rings, senior sweaters and emblems, and graduation announcements and cards.

Tickets to all school functions could be purchased through this department. They included tickets to games, dances, and the Every Girl's Dinner, as well as activity cards and the yearbook, Hoofbeats.

While the Mustang Corral Drive was in progress, the bookstore was indeed a busy place. Every morning, a representative from each homeroom would entrust to the Bookstore the funds collected the previous day.

Assisting Mr. Brockett in his many duties was Mrs. Fara Darland.

Guidance From Parents And Teachers

The Parent-Teacher Association held a number of interesting and informative panel discussions during the year in which both parents and students participated actively.

Parents had a chance to meet the teachers and inspect the school plant at the various open houses held by the PTA. The PTA was active in assisting the students of North High in their various ventures. Furnishings for the Mustang Corral were one of the outstanding contributions.

Advice And Counsel To Every Student

DEAN OF BOYS: Mr. Frank Anderson. **DEAN OF GIRLS:** Mrs. Jewell Rasbury.

Always willing to give advice and counsel to boys and girls enrolled at North High, the deans—Mrs. Jewell Rasbury and Mr. Frank Anderson—always can be counted on to help in an hour of need.

Seniors seeking information on various colleges were able to find a wealth of information in the form of catalogues and pamphlets on the table in the deans' outer office. Upperclassmen also found the deans' advice helpful in choosing the courses they wished to follow.

The business details, such as the typing of stencils, letters, and reports, are attended to by Mrs. Margaret Gring. As secretary to both the deans, she is kept busy performing the many duties that must be carried out if the deans' office is to function smoothly.

Students, acting as assistant secretaries, help with many of the routine tasks. They take call slips to students with whom one of the deans wishes to confer.

Their Wisdom Showed Us The Way

Not only is North High a democratic high school, but this democracy is practiced by each and every student. This smooth-running government carried out by these students themselves is brought about by the supreme law of the school, the constitution. This constitution sets forth many principles that make the method of student government practiced at North Phoenix High School one of the most outstanding and progressive in the West.

The provisions of the school constitution and of any decisions made by the student body are subject to the approval of the Board of Education of the Phoenix Union High Schools. The members of the Board are elected by the voters of the school district. The Board determines the policies followed by the schools in the district. The decisions of this body govern the district in every way. In them is vested the power to employ teachers, principals, and the superintendent.

Democracy is practiced in the classroom at North High. Students hold class meetings using parliamentary procedure. In some classes, they conduct class recitation for a short time each day. When a teacher is called from class for some reason, the class can be depended upon to carry on just as if he were there. These valuable principles of democratic living and getting along in the world are a large and important part of the education students receive at North High.

Taking Care Of Our Needs

Daily North High's campus is strewn with lunch papers carelessly dropped there by students, but within a short time the efficient groundskeepers have the campus clean and beautiful again. They clean the buildings and put them in order after students and faculty have gone home.

The cafeteria is perhaps the favorite building of most Mustangs. There delicious meals just like one gets at home are served. Responsible in a large measure for the great variety and tastiness of cafeteria food are the two cooks, Mr. Starks and Mr. Hilkemeyer.

The members of the cafeteria staff and Mrs. Ruth Smith, cafeteria manager, are kept busy during three lunch periods every day. They must keep silver, dishes, and glasses supplied to the continuous lines of students. In the short time between lunches, they restore order to the cafeteria by putting chairs back in place and preparing the steam tables for the next rush of students.

Balancing The Budget

For the first time North High students had the use of activity cards, which gained them admission to all home games, plays, half price at dances, a subscription to The Mustang Roundup, and partial payment on the yearbook, Hoofbeats. The aim of the Activities Commission was to make it possible for more students to attend school functions at less cost.

The Bookstore Board decided on the prices of books, pencils, and the Mustang stickers for books and car windshields.

The delicious lunches served in the North High cafeteria and the reasonable prices can be credited to the work of the Cafeteria Board. They regulate the prices on food and keep the cafeteria's profits at a minimum.

The Athletic Association was responsible for the appropriation of funds for boys' and girls' athletics and for the sports equipment. They were in charge of all money received or spent in the carrying out of interscholastic athletic contests.

Essential For Success

Attention! Left face! Goodness, which way is left? By the time an ordinary soul has solved this weighty problem the entire military company has disappeared from view. After working together for a very few months it's a source of amazement that the boys and girls of the Military Department become such a smoothly running group. With Lt. Colonel Shoemaker at the helm, an efficient, well trained, R.O.T.C. is a sure thing.

Where are all the dry tomes that are supposed to be part of every library? We hate to disappoint anyone but you won't find them in our school library. Mr. Bartels and Miss Yotter, librarians, have made the selection of books with extreme care. They are of infinite variety and purpose.

You may not be a Caruso or Lily Pons, but you can still enjoy being a member of the Glee Club. The same goes for the Band and Orchestra. It's a satisfying feeling to know you are an important clog in the wheel. The programs and assemblies these groups have put on are too numerous to tell about here, but just ask any student in North High. The beaming smile that will answer you will tell better than words how much we appreciate the musical division in our school. Mrs. Shelley, Mr. Coulter, and Mr. Fitzgerald, here's our vote of thanks for the reasons you have given us to be proud of our music department.

Fit To Be Tried

Some students think science teachers are a pretty sorry lot. They should stop and consider. These teachers are bound to have something besides sawdust in their craniums if they even try to teach us all this complicated stuff about bugs 'n' chemicals. And to those who have to be drawn a picture, look at Mr. William Vaughn. For the past few years or so—excluding the war—he has been a lowly underpaid, misunderstood biology teacher; now he has been appointed Dean of Boys at the new West High.

Keeping a bunch of rambunctious Hosses in one piece, mentally and physically—is a pretty big job for one teacher—or shall we say supervisor? Miss Potthoff has managed to keep up this job nobly for the past few years. This year an assistant has been added, Miss Caroline Lane.

North High boasts three of the best girls' P. E. teachers in these here hills. They know their jobs and have quite some fun getting it done. Mrs. Dorothy Delvin has come to be an indispensable person in the equipment room. Also Mrs. Mary Hamilton is regarded with awe for her patience. Day after day she coaxes music from the battered up-right in the gym so the dancing classes won't have to dance to the tune of their own grunts and groans.

Here Your Fortune Lies

What chance has Hollywood when it has North High to contend with? That may be a debatable question, but we won't stop to grapple with it now. Hollywood's gotta admit we turn out some of the best plays and some of the best speeches and orators North High has ever known!

Clickety clack! Clickety clack! Clickety clack! How in blazes can a person study with those infernal typewriters a'goin' all the time? Until they invent silencers for the dern things, guess we'll just have to put up with it.

For the size of the room that Mr. Fred Draper occupies, you'd think he did nothing but grade papers all day or some such sordid task as that. Actually he supervises one of the most interesting activities in the school—the audio-visual aids.

For Better Living

What's that? It smells like mother has been in the kitchen. But what would that wonderful odor of fresh baked biscuits be doing here in the Science Building? Well, we know the answer to that one. It is Mrs. Beaver and her Home Ec. class whipping up some more of those light (well, usually) fluffy biscuits. And right across the hall the busy snip of scissors from the sewing room tells the story of anticipated dresses and blouses.

Three languages are offered in North High's curriculum. If you want to speak Spanish, French, or Latin like a native, amble on toward that language department so it won't all be Greek to you.

Busy as beavers the art teachers are discussing some new project for their department. From the pleased looks all around it must be a very good idea. How about that?

Hey! Put down that glass of water. History isn't that dry. Contrary to popular belief it isn't only interesting but of vital importance to all Americans. Why, if you don't know your rights as a citizen of the U. S. you may as well be in a country where such things as freedom of speech, press, and assembly don't exist. Come on and help yourself to some history. Honest it will pay big dividends. Sure would be nice to be able to show Johnny Jones or Suzy Smith how well informed you are on current affairs—History, that is.

MATHEMATICS—Here's a group of teachers who always know what the score is. **Standing:** Mr. Thomas Inman, Mr. Henry Schmidt, Mr. Arthur Hawk, Mr. Herbert Drinkwater, Mr. Fred J. McDonald, Mr. T. H. Utlaut, Mr. Harold R. Williams. **Seated:** Mr Walter J. Wooden and Mr. Henry Anderson.

Emphasis On Efficiency

Are all teachers human? Grand question. But our subject here is math teachers. As we said, good question. Seriously though, there's one thing certain, you either learn or flunk math. Oh—rather obvious, isn't it? What we're trying to say is we're truly grateful to you math teachers for passing us on even a 4— with a circle around it. If you didn't see fit to pass us, then—oh—phooey.

The English language, according to foreigners, is quite difficult to master, of that we have no doubts. According to some silly rule or other we have to learn how t'tear a sentence to pieces and then tell why—so we might as well face it. It's gotta be done, so about all we can do is cooperate with our teachers. Nauseating thought! But it might help!

Shop is an amazing contraption. It's exclusive to men at this writing—and if they never learn anything but how to fix window shades and screw door-knobs on, it'll come in handy in later life! Think of how happy the shop teachers' wives must be—no rattling shutters or banging doors! It's a thought at that!

ENGLISH TEACHERS—Seated: Miss Zula Stevens, Miss Sylvia Poling, Mrs. Fleda C. Kinneman, and Miss Miriam Gathings. **Standing:** Mr. John C. Raymond and Mr. Robert Frank.

INDUSTRIAL ARTS—Mr. Vernon Hathcock, Mr. Fred Schade, Mr. Bert Belluzzi, Mr. Lawrence Chard.

For Guidance

It's a big jump from grammar school to high school. Every year from five to six hundred eighth grade graduates enter North High. They must make a complete adjustment to the new pattern of life in high school. Smoothing the rough spots on the Freshman's path is the Freshman counselor. If your algebra isn't quite up to par, take your problems to the counselor. Things begin to look brighter as soon as you pour out your troubles into the sympathetic ear of the counselor. Many a patient teacher-student conference has set a boy or girl off on the right foot again.

Don't think the Freshmen are the only ones who have this advantage of counselors. Sophomores also gain invaluable aid in planning their schedules and solving their difficulties with the Sophomore counselors. This course of Orientation for Freshmen and Sophomores is incorporated with their English class. Juniors and Seniors may count on their home room advisers for aid.

We would like to do a little bragging. Our Freshman and Sophomore counselors are A-1. Two months after the Freshmen come to North High they are just as well acquainted with the school and its government as our upper classmen. The counselors do an excellent job as is evidenced by the extra super classes of Freshmen and Sophomores at North Phoenix High School.

RELAXING FOR A MOMENT from the busy pattern of the day we find **(Top)** Sophomore counselors Mr. Stanley P. Cardon, Mrs. Elizabeth M. Bluhm, Miss Marian Cox, and Mr. William D. Roche. **Top Center:** Freshman counselors Miss Gretchen E. Bock, Mr. Kenneth Lang, and Mrs. Jean Hansen. **Lower Center:** Mr. George A. Motter. **Lower Left:** Always ready with a helping hand are Freshman counselors Mr. Orville Hamm, Mrs. Muriel K. Miller, and Mr. William J. Anderson. **Lower Right:** Mr. James Filson, Miss Mildred Jacks, and Mr. Carl Wagner.

Fit As A Fiddle

The girls who work in the Health Center are usually pretty interested in some phase of a medical career or think so when they sign up. We'll wager they know pretty much of what they were supposed to learn at the end of the year with Miss Potthoff to teach them.

Ailing pupils seldom leave without a proper diagnosis of their innards. If they can be restored to form or mended sufficiently to struggle through the rest of their classes, it is done as quickly as possible so the poor unfortunate won't miss that exhilerating Latin class, or that long looked-forward-to physics test.

Year after year sweet dispositioned teachers, such as Mrs. Ardith Shelley and Mr. Charles Coulter, labor daily at the task of teaching certain students to carry a tune without the aid of a bucket. Not too infrequently in their—uh—shall we say oyster hunting—they find the makings of a pearl—and now and then the real thing. Anybody who has attended a midwinter concert or a spring concert or any one of a number of other concerts, including assemblies, put on annually by the music department, will bear us out on that.

Off to a good start! We hope! Anyway they have a chance if they faithfully practice all the muscle-rending exercises the heartless coaches make 'em do. It's always remained a mystery to us how often with all that jumping and twisting and various other things, these boys have the energy left to get out and win track meets, basketball games, football games, and other contests. The old saying goes that you can't expect to get more out of something than you put into it, and our Boys' P.E. department operates that way.

What would our campus be like if there were no little girls clad in green shorts dashing over the sports field nearly every period? You might say the scene would be lifeless and dull because of the lack of said attractive props.

On The Lighter Side

Lights! Action! Camera! Bet you didn't know about the movies at North High. Director of productions is Mr. Fred Draper. Well, maybe our pictures don't always star Clark Gable or Lana Turner, but they're mighty interesting anyway. Each picture is designed to supplement a course. Therefore you can not only learn to speak Spanish but also to understand the customs of the people.

If you take dramatics it is possible to hear one of your most ardent admirers: YOU. With the recording apparatus sending back your honied voice, who wouldn't love dramatics?

Strike up the band, here comes Mr. Fitzgerald. A wave of his baton and we shall have music. Countless are the football games, assemblies, and parades his magic wand has brightened. Say, if you should happen to see the whole student body swaying back and forth in syncopated swing time, come on in and join the fun. It means the swing band is in session.

Swing high, swing low. If you like music you'll be heading in the right direction if you make tracks for the Glee Club. Almost any hour of the day songs float by on the breeze. Spirituals, popular, or folk tunes, as varied as the rainbow. So drop by and join in.

Determination

The library has always been a friend in need. There's quite a bit of planning and work connected with running this department, and those behind it are due a note of praise. Miss Clare Yotter is new this year and, according to all reports, has been indispensible as Mr. William Bartels' able assistant.

Shop is a mysterious place where all sorts of queer objects are used to manufacture all sorts of things. We might also mention that for one who plans to become a carpenter, cabinet maker, a book shelf builder, or just plain handy man around the house—this course provides valuable training.

Far Away Places— And Others

Arizona is not only the bestest darn state in these here parts, but also one of the luckiest. Our luck lies in being so close to the border of Mexico. To most people this part of the world is something that remains a colorful page in a travelogue. Not so with us Arizonans. We can see and enjoy our neighbor to the south. A working knowledge of the Spanish language is invaluable. In the Spanish classes at North High, emphasis is placed on speaking Spanish. You too can have fun when you learn to speak Spanish.

"Goodness sakes! What in the world does that chicken scratching say?" If your teacher ask this question every time you hand in a theme, better take heed and learn to type! Why, your papers will not only look like a million dollars, but be legible. The chances for boys and girls in the business world with a knowledge of typing and shorthand are numerous.

Bubble, caldron, bubble! From out the steaming test tubes a new serum is born. Maybe you won't hit the jackpot the first time, but try, try again. Even if you don't happen to discover some new medical wonder, you will gain a lot of worth while facts from chemistry. Maybe you don't know how much scientific talent is lurking in the dark corners of your cranium. Look out there, Madame Curie, don't spill that acid on me!

The Arts, The Professions

We can be quite "arty" when we take the notion, and it seems we succeeded quite weil this year. Outstanding work is always done by our drama department and their able assistants, the art department. One of the big dramatic moments was "Liliom." This play was carefully chosen, rehearsed, performed, and was a smashing success. All the characters were very well portrayed, and we have a feeling the actors had rather fun doing it, though we realize it took a lot of hard work and study and success was well earned.

Miss Kapanke did a grand job on set design, and we feel especially noteworthy was her achievement in producing a remarkable setting of "Heaven."

Seems as though we're getting too big for our britches, when we have to have the cafeteria sectioned off into class rooms to take care of the over flow. Just goes to show how popular North High is—and really, kids, you didn't mind too much did you?

Prescription For Tomorrow

Not everything at our Alma Mater is work. Just look at those guys and gals over there putting up a banner to remind everyone of the big super colossal dance that's coming. The best part is some extra special affair is always being cooked up.

Hey! What kind of classes are these? Students from alien schools can't believe their eyes when first entering North High. By Golly, that teacher over there is smiling and chattering away with the class. See? Just another example of the big, friendly West. Pop your head into any class and see what we mean. The teachers are not only smart and up on the latest, but human too.

Everyday Classes

Social science is the thing to help us understand the old world today, for they say history repeats itself. We should be glad that we have such swell teachers and modern methods of investigating and studying our society.

We can say it! We have the best band in the land. Other schools turn green with envy when they hear ours perform. It takes a man of great physical and mental strength to cope with all this talent, and such a man is Mr. Lynn Fitzgerald.

English counselors are a source of much knowledge to a Frosh in the dark. They wouldn't know what to do without 'em.

Hour By Hour

No matter what your favorite subject is—Math, Crafts, Agriculture, Cooking—any of a hundred others—stick around North High. If we don't already have it, before you can speak up the office is talking about putting it in the curriculum.

After being exposed to all this concentrated schooling the least that should come out of North High is a future president. Being a graduate of North Phoenix High School will always be a source of pride to students—be it the class of '49 or '69.

STUDENT BODY OFFICERS—Rayburn Dezember, President; Rosie Bennett, Secretary; Dale Hogue, Vice-President; Ray Harris, Treasurer.

Leading Us Onward

These officers elected by the student body have truly merited the confidence vested in them. This year, a new office came into being, that of treasurer, which was capably filled by Ray Harris.

The Mustang Corral—A Reality

" . . . Still achieving, still pursuing, learn to labor and to wait"—from Longfellow's "Psalm of Life"—symbolizes the untiring effort with which the students of North High have worked towards their common goal—the Mustang Corral.

During the war years, when buying savings bonds was more important, the project was laid aside but never forgotten. Through the succeeding years, class after class has kept alive the hope that someday there would be a social center on the campus in which Mustangs could relax and have parties and dances. Now at last that dream of so many who went before us has become a reality.

Democracy In Action

North High's Student Council this year has made great progress in the field of student government. The many capable workers in their midst combined their efforts successfully in many undertakings. Their endeavors have resulted in big strides in the field of student government and social activity at their alma mater.

The task of completing the Mustang Corral was one of many projects undertaken. On December 18, 1948, ground was broken for the Corral building and on December 27, the cornerstone was laid.

The 1949 Mustang Corral drive was the incentive for a great student participation program which included dances, motion pictures, and parties sponsored by homerooms and clubs. These organizations donated the proceeds from the events which they sponsored to backbone the final boost which made the drive a success.

Of, By, And For The Student

Disciplinary matters at North High are in a large measure handled by the students themselves. When a student is involved in the infraction of some school rule he is called before the Honor Court, which is made up of his elected fellow students, where he is given an opportunity to plead his case. This democratic method of trial is one of the main factors in the government of North Phoenix High School.

The School Council consists of parents. teachers, and students and is empowered to make policies and interpret disputed parts of the school constitution.

SCHOOL COUNCIL MEMBERS (Not in Order)—Parents: Mrs. G. P. Seeger, Mrs. Edith Gnichtel. **Teachers:** Mr. Tom Inman, Mrs. Ruth Smith, Mrs. Jewell Rasbury, Miss Winona Montgomery, Mr. Frank Gilleland, Miss Ruth Adams, Mr. Vernon Hathcock, Mr. William Bartels, Mr. Edward Palmer, Mr. Frank Anderson, Mr. Charles Burton, Miss Ellen Nitzkowski, Mr. Holland Melvin, and Mr. James I. Unselfish Service To Others

This year, for the first time, North High carried out its service projects through a specific organization. This was the Service Organization, of which Findley Randolph was president. The group sponsored charity drives for such causes as the Save the Children Federation, the March of Dimes, the Cancer Drive, and others.

Along social lines, the first Soc-Hop in North High's history was given by the Service Organization. At this dance students checked their shoes at the door and prizes were given for the loudest and the most beautiful pairs of socks.

Providing The Fun

Social functions play a large part in the life of every student. Through the capable planning of the Social Committee, sponsored by Mr. Orville Hamm, dances and parties at North High were always successful.

The Assembly Committee this year planned programs that were educational as well as entertaining for the student body. Pep assemblies, music, drama, and guest speakers were equally enjoyable.

The soft, dreamy music coming from the cafeteria before and after school, as well as during the three lunch periods, was made possible through tthe efforts of the Juke-Box Committee. The proceeds from the juke-box were used to purchase the latest records which were chosen from suggestions handed in by students.

To make new students feel at home at North High was the purpose of the Friendship Committee. Members of the committee ate lunch with new students, and helped them find their classes on their first day at school.

GIRLS' LEAGUE OFFICERS—Marilyn Dodson, Secretary; Karin Stallcup, President; Cherry Tsutsumida, Treasurer; Ann Dhu Stallcup, Vice-President.

Every Girl Was A Member

The officers of the Girls' League and their sponsor, Mrs. Jewell Rasbury, are to be commended for their fine work.

During the year they have been hostesses to girls from other high schools in Phoenix who have visited North High to observe student government in action and to further friendly relations among the schools.

They Did Many Things

The Girls' League Cabinet and Council participated in many activities this year. They held their first all-day State Convention in April on the campus, providing entertainment and luncheon for girls from all parts of Arizona.

The first formal dance of the year, the annual Blue and Silver Ball, was held in the North High gym. This dance is one of the highlights on the calendar of the Girls' League.

The annual Every Girl's Dinner had as its theme "Holidays." A delicious dinner, fine entertainment and a friendly spirit on the part of everyone combined to provide every girl with a truly enjoyable evening.

The latest styles from Phoenix stores as well as a number designed and made by students themselves were modeled by North High girls at the annual Girls' League Fashion Show.

Storybook characters dominated the scene at the "Fillies Frolic," the all-girl dance and party.

Leaders and Friends to Every Boy

Members of the Boys' Alliance Advisory Board held several discussions with representatives of high schools in the Valley. The purpose of these discussions was to further Boys' Alliance organizations in the schools and to make plans for a state wide organization. These boys were North High's guests for lunch in the cafeteria and were shown around the school.

The officers and the members of the Advisory Board, with the help of their sponsor, Mr. Frank Anderson, have planned and successfully completed a number of projects, such as the sport dance after the Prescott basketball game and the Freshman Mixer.

Each Boy Participated

The Mustang Congress of the Boys' Alliance consisted of one representative from every homeroom. These boys held regular meetings to transact the many business matters that concerned the organization. Reports of the meetings were carried by every representative to his homeroom. In this manner every boy was kept up to date on the activities that were being planned by the Boys' Alliance—his organization.

The fourth annual "Moonlight and Memories" formal dance was held the evening of April 2. This is the major activity of the Boys' Alliance and is anxiously awaited by all the students. This is the one and only spring formal that is open to the entire student body.

Every Voice Is Heard

The classes at North High are not rivals but co-operative working groups, banding together in an effort to build a better school democracy and a united student body.

Evidence of this unity is shown by the achievement of the Mustang Corral. From seniors to freshmen, students have worked faithfully for many long hours on the Corral; and they will continue to do the same with other projects.

Seniors— Gone But Not Forgotten

The time has arrived when the Seniors must think of graduation and the future opening before them. There are many plans and decisions to be made for the coming years. Some will enter colleges while others will enter into the field of some profession, but no matter where they go, the four wonderful years of hard work and unlimited fun at North High will never be forgotten.

The Seniors will always recall the fun they had at the Senior Picnic and the Senior Hop, which gave all a chance to become better acquainted with their fellow classmates. The triumph of the year was the Gold Digger's Dance. Wearing old-fashioned skirts and cowboy boots, everyone was given the welcome and fun of western hospitality. What fun everyone had stepping up to the "bar," watching the can-can dances, or just swingin' to good old Western music!

The Big Event—
The Senior Hop

With the theme of "Dreams," carried out amidst a surrounding of sweet music and soft lights, the Senior Hop was again a big success. A wonderful time was had by all who attended and, being an annual affair, no one wanted to miss it.

Dancing to soft music was the main attraction of the evening, and the entertainment, with punch and delicious cake for refreshments, added special highlights to the gaity and delightfulness of the Hop.

All For Fun

It takes a lot of planning to be done in Senior meetings before an event can be a success. Decorations are a large part of any dance, and Claire Merrill, Jan Cady, Mary Lou Newell, and Jim Hurley are busily creating decorations for the Senior Hop.

Being the first class in the school's history to have sweaters, the Seniors are very proud of their '49er sweaters. John Goodson and Harry Reger agree that it was a wonderful idea.

ACTIVE JUNIORS—Right: Junior Class President C. L. Johnson presents a check for over $700 to the young polio victim in the arms of Mr. Lee Ackerman, City Chairman of the March of Dimes. **Left:** C. L. Johnson conducts a Junior Class meeting.

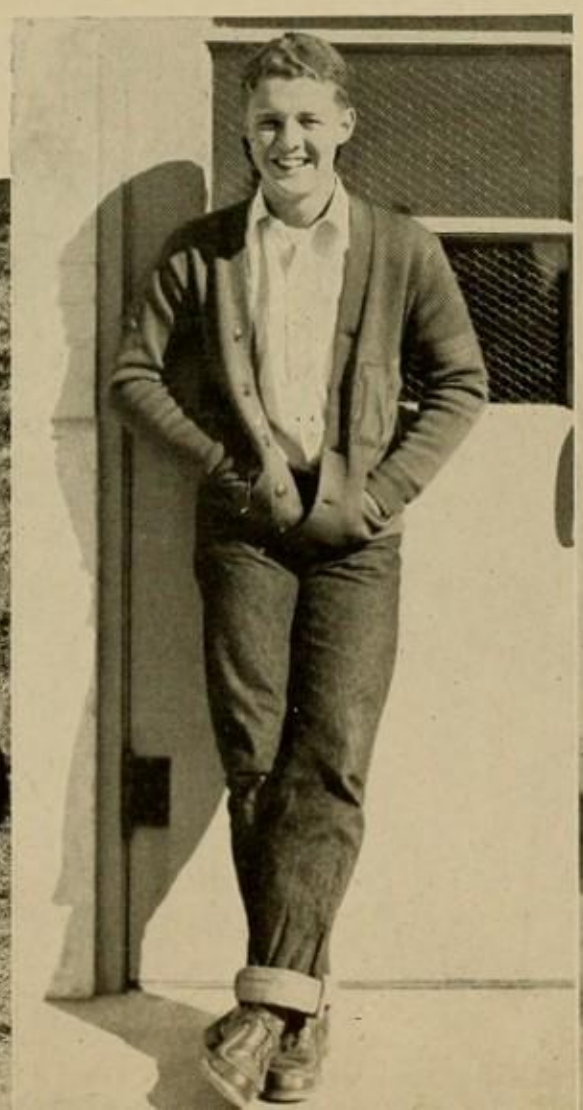
The Mid-Century Class

Again this year the future Seniors presented to North High the annual Sadie Hawkins' Day and the party that night, for the purpose of raising money for the March of Dimes. That morning the class put on a great assembly starring the Junior Class President, C. L. Johnson, as Dogpatch's Pappy Yokum, and featuring the other two class officers, Marilyn Dunlap and Pat Dyer, as shmoon. A letter from Lil Abner's creator, Al Capp, expressing the famed cartoonist's regrets at not being able to attend the celebration, was read to the assembly.

The party that night not only provided fun for all, but raised over seven hundred dollars for the March of Dimes. This was the greatest amount of money raised for this worthy cause by a high school in the Southwest.

Other productions of the Junior Class were the Junior-Senior Prom, where the incoming seniors feted the '49ers, and the very successful Junior Class party.

OFFICERS of the Junior Class did their work capably and with confidence.



Left to right: Pat Dyer, Vice-President; C. L. Johnson, President; and Marilyn Dunlap, Secretary.

Well On Their Way

The Sophomores have certainly completed a very eventful year. To start the year off with a bang they held a Sophomore Costume party which was a great success, with honors going to Jack Powell and Renhard Nickols for the best costumes. The Sophomores won first place in the PTA drive, which was held early in the year. They also sponsored a dance after one of the basketball games. At the Lettermen's Carnival there was also a booth which was sponsored by the Sophomore class.

President Jack Powell, Vice-President Bob Cetti, and Secretary-Treasurer Ann McTyre were the able leaders of the Sophs. The Sophomore Council, which was newly organized last year, worked very well and helped to make this year's Sophomores the "biggest 'n' the best."

Coming Up!

TO THE STUDENT BODY:

One year of the long four year grind is now behind the future Class of '52. Granted. the job of getting accustomed to the rules 'n' regulations 'n' hard boiled teachers was tough in spots. But now that it's over we'll admit we wouldn't have missed it for the world.

Now that we've outgrown that "green" look, and now that we've some idea how things are run—we have our heads full of ideas for the future years. We've had our share of running the student body, of parties, and assemblies; and we consider ourselves a pretty lucky bunch of people.

We give our wholehearted thanks to all of you who have helped us in the past year, and we hope you'll keep your eye on us—if you can—in the future, for we expect great things of our class and its future leaders.

Sincerely,
THE FROSH

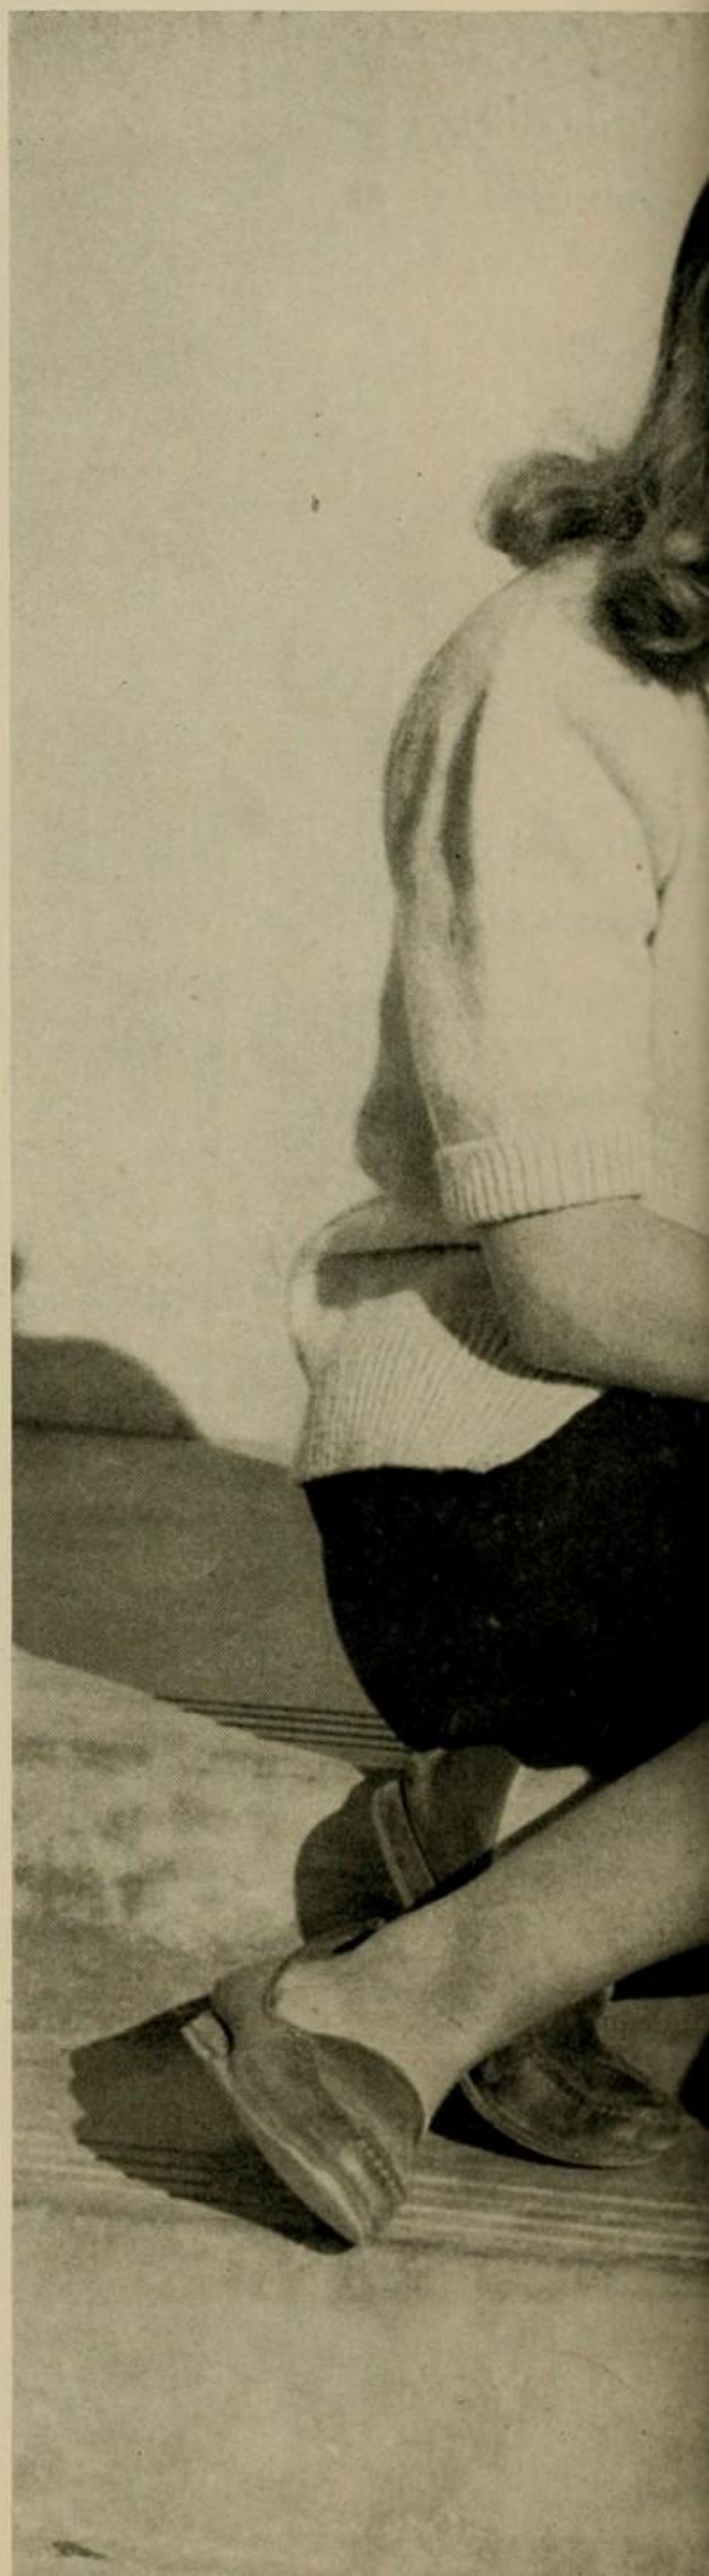
Time Out For Fun

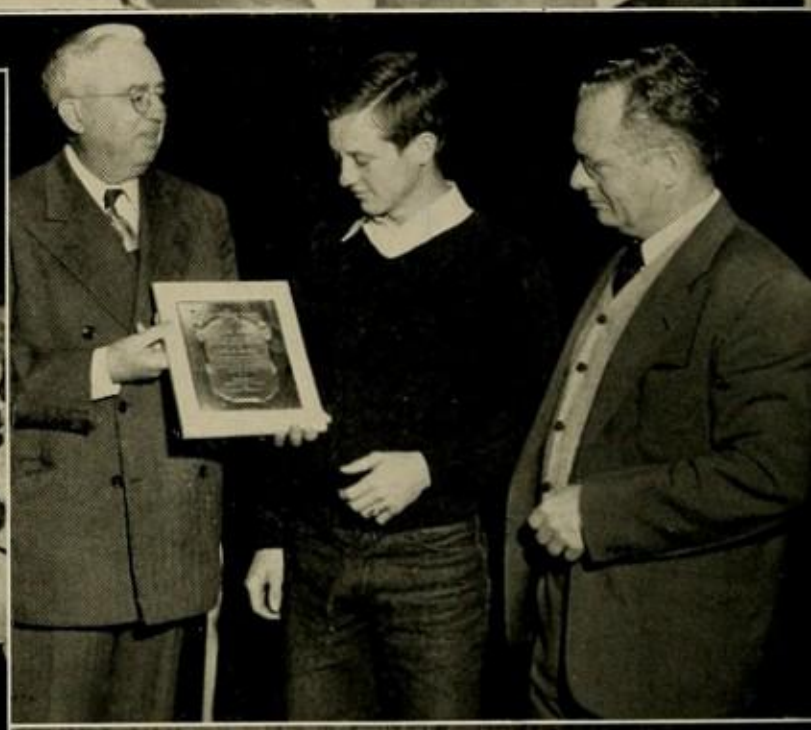
There are two phases of school life on the campus—academic and social. Although students realize that the classes are the most important part of their four years at North High, they will always remember the many well-planned social events.

The weekly morning assemblies, the games and track meets, the plays and skits, the dances, both formal and informal—all these were an important part of the average student's school life.



Assembly Antics

During the year a great number of morning assemblies were given for the pleasure of both students and faculty members. The best in drama, comedy, music, and well-known personalities were presented to appreciative North High audiences. Much credit and praise is due the assembly committee, advised by Mr. Henry Schmidt.



Assembly audiences were entertained **(Top)** by the "graceful dancing" of these "lovely ladies." **Middle:** Governor Garvey presents a safety plaque to President Ray Dezember and the North High student body. **Middle Right:** Mustangs were thrilled by a visit from Dick Contino. Even more thrilling was the fact that fellow Mustang David Kaun won the Horace Heidt talent search in Phoenix. **Below:** Alice Bradley, Martha Cooke, Barry Long, and Dick Shaw appear in a scene from "Journey from Trenton to Camden." **Left:** The Glee Club presents a unique performance set to music.

Dogpatch Day

In its second year, Sadie Hawkins' Day proved to be an even greater success than the first year's celebration. During the day the air was filled with beards, corncob pipes, and Dogpatch-attired students and teachers. That night the gym was filled with merry multitudes who happily played games and danced.

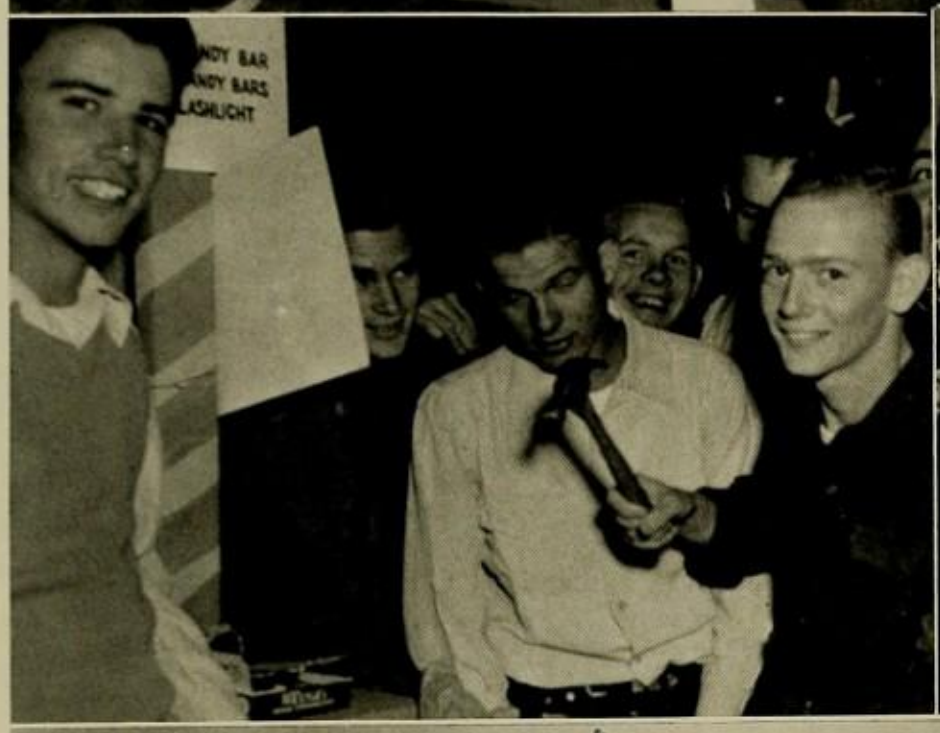
The Dance With Sox Appeal

The newly organized Service Committee has the reputation of having sponsored one of the best dances of the year—The Soc Hop. This was something new in North High's history and students welcomed the original idea. The rules were few and simple. First of all, it was a "must" that students check their shoes at the door upon arrival. Later, during the middle of the dance, prizes were given to the couples wearing the loudest pair, the prettiest pair, the most original pair, and so forth.

Upper Left: Proudly exhibiting their flashy socks are Jane Waldman, Logan Dameron, Paul Rubenstein, Radee Maiden, Nan Taylor, Fred Hanna, Jim Hurley, Noel Nitchie, Delores Russo, and Dan Garvey. **Upper Right:** Jessie Watson, Don Miller, Joanne Marriana and Jim Siken, typical sock hop couples. **Lower Left:** Tommy Culver, Virginia Huskison, Arlene Huskison in their "name stocking" feet. **Lower Right:** Checking shoes at the door are La Rayne Nowicki, Otto Hatcher, and Norma Redmon.

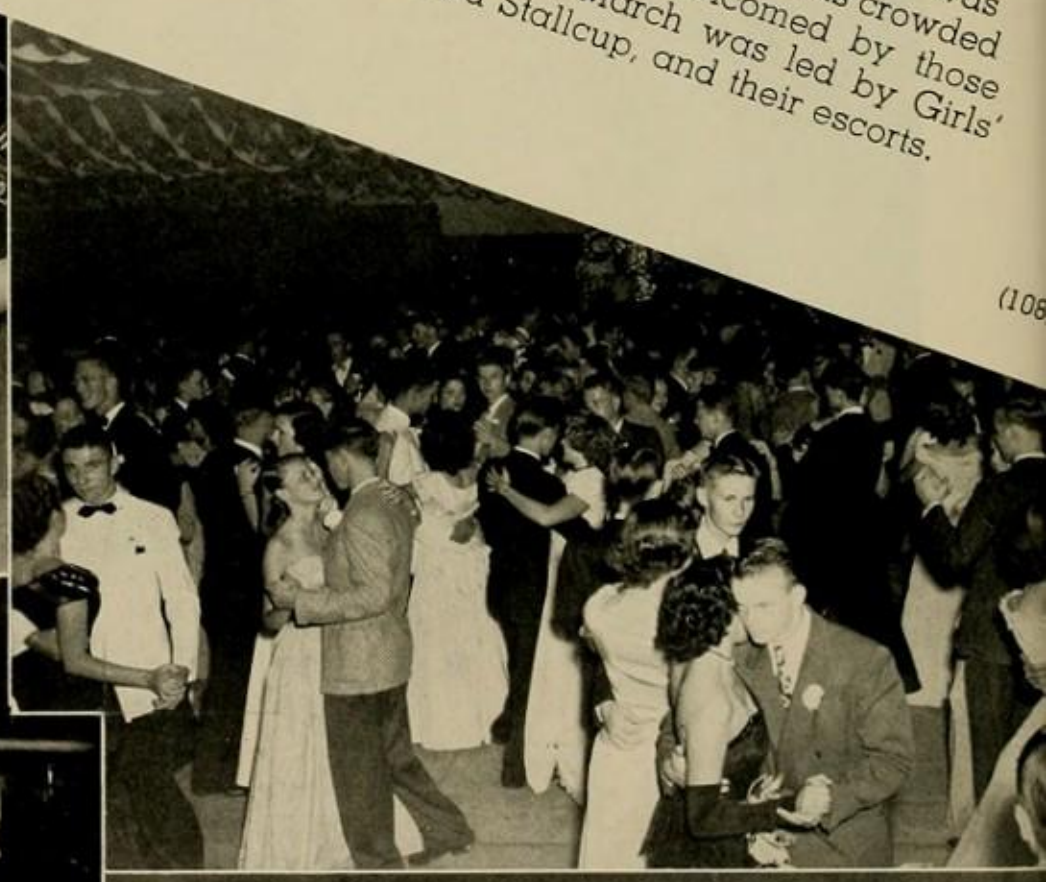


Royalty Reigns At Carnival

In its beginning, the Lettermen's Carnival gave everybody a good time. Every homeroom contributed in making the carnival a success. **Upper Left:** The committee took pains in planning the Carnival through to its successful end. **Upper Right:** the crowd evidently enjoyed the food the Carnival offered. **Middle Left:** Games put on by homerooms offered still more fun for the Carnival patrons. **Middle Right:** Dale Hogue, president of the Lettermen's Club, crowns Queen Rosie Bennett and King Del Taylor at the Carnival dance. **Lower Left:** Contestants for king and queen displayed plenty of good looks. **Lower Right:** The Winnahs! King Taylor and Queen Bennett survey their "subjects" at the dance.

Dances Were Popular

During the year, the dance-loving Mustangs were offered numerous occasions for welcome relaxation on the dance floor. **Upper Left:** The Alumni Dance offered a chance for old friends and classmates to become re-acquainted. After the dance, the ground-breaking for the long-awaited Mustang Corral took place. Invitations were sent to the Alumni of '48 and many other former Mustangs. The dance that night was a ripping success. Everybody enjoyed themselves passing out The Valentine Ball, too, was a ripping success. **Lower Left:** The Blue and Silver Ball was valentines and candy, and most of all, dancing. Everybody enjoyed themselves passing out enhanced by the music of Phil Brown and his orchestra. **Lower Right:** The gym was crowded with gay dancers at the Blue and Silver. **Below Left:** Intermission was welcomed by those who were just a little tired and thirsty. **Below Right:** The Grand March was led by Girls' League President, Karin Stallcup, and Vice-President, Ann Dhu Stallcup, and their escorts.



Bird's Eye View

Evidence that students are always in there pitching is shown by the energetic way they participated in school and civic affairs. Crowded Conditions Become Pressing

With the construction of new rooms, the crowded conditions at North High will be somewhat alleviated.

Students Had A Variety Of Interests

Participation in school affairs involved many phases of school life. **Upper Left:** Young Jerry Lipton models the chaps made for him by Dorothy DeMar, his aunt, while his mother, Mrs. Mary Tipton, Carolyn Tipton, and Miss Williams look on. **Upper Right:** Clara Bell, Larry Hinshaw, Gene Shanks, George Hill, and Jan Refsnes in a tense moment in the one act play "The Anniversary." **Middle Left:** Quill and Scroll initiates, Campolongo, Snow, Glazer, Taylor, Mendelsohn, Burroway, and Johnson, pose in all their finery on a hot rod. **Middle Right:** Members of Quill and Scroll—**Front Row:** C. North High looked forward to the Christmas holiday and the long vacation that went with it. There were many parties before the holiday and the Christmassy atmosphere accompanying the students wherever they went was very refreshing.

— And Happy New Year

Students stop to gaze **(Upper Left)** at the beautiful Christmas tree in the library before going to their classes. **Upper Right:** Mrs. Ardith Shelley and the A Cappella choir look on as Santa (Mr. Isaac F. Center of activity, throughout the day, is North High's very well equipped library. Under the capable direction of Mr. Bill Bartels and Miss Claire Yotter, classes were held during the year to better acquaint students with the library and its mechanics.

The Chance To Serve

The average student feels that he, as an individual, has an important role in the school community, and he looks for a chance to serve it and his classmates.

These chances are found in the activities of North High—in the music, art, drama, military, and journalism departments, as well as the many clubs.

All students are thankful for these many opportunities as they realize the importance of building better character.

The Sound Of Many Voices

This year North High's music department was honored when forty voices from the A Cappella Choir were invited to participate in the Western State Music Festival at Sacramento, California. The student body was proud of these classmates and contributed to minimize the expenses of the trip.

The Girls' Glee Club, as well as the A Cappella Choir, presented many enjoyable assembly programs. Each of these required hours of extra work on the part of every student who participated. Although individual talent was important, the credit for the training of these voices goes to Mrs. Ardith Shelley and Mr. Charles A. Coulter, who directed these groups.

Music For Every Occasion

Another part of the music department in which North High Students felt equal pride, is the Band, under the direction of Mr. Lynn Fitzgerald. Wherever the Mustand Band went, it was certain to bring another honor back to North High, thus upholding its fine reputation. The responsible position of band major was held this year by Vern Suter.

In addition to those who participated in the making of music, there were others who won honors for North High. These were the four talented drum majorettes, Jo Anne Young, Marilyn Elivian, Bonnie Sanford, and Le Nan Woodward.

Military Training Today . . . .

In the course of the school year, students of the Military Department, under the leadership of Cadet Col. Herb Jepko, brought new fame and glory on themselves. The Rifle Team competed in numerous matches with teams from other schools and displayed much marksmanship skill.

During the latter part of the year, the Military unit was inspected by the 6th Army officials, who later announced that North High's regiment ranks as one of the best in the West.

. . . . For Tomorrow's Peace

The tenth annual ROTC Club Military Ball was held this year in the cafeteria to the smooth music of Phil Brown's orchestra. Insignias, the theme of the dance, were painted by the crafts classes. Honored guests, including Mr. and Mrs. James I. Stewart and Col. and Mrs. Paul S. Shoemaker, were present. Cadets and cadettes from three city schools were invited.

North High's military also participated in the revived Masque of the Yellow Moon.

We Couldn't Do Without Them

It is not only North High's boys who can wear military uniforms, but the girls can too. They are always well represented, as illustrated by the girls' military department this year. Under the leadership of Cadette Captain Mildred Furr, First Lieutenants Isla Mae Barnes and Bernice Williams, and Second Lieutenants Nancy Olin and Rosalie Furr, the girls proved themselves quite as capable as the boys.

Like the boys, the girls had their own rifle team and competed with girls' rifle teams from other schools. There, too, was proof of the girls' skill. The girls also appeared in the Masque of the Yellow Moon.

Led by the cheerleaders, the North High student body cheered their teams on in all athletic contests. Even when we lost, the cheerleaders led the yells, telling our team we were behind them one hundred pr cent.

"Life With Father"

So goes the Nation—so goes North High!

The play and motion picture "Life with Father" is one of the most successful plays ever produced. Books, plays, and motion pictures have contributed to the fame of "Life with Father."

"Life with Father" was presented on the nights of April 8 and 9, and needless to say, it was a terrific hit. How could it have been otherwise? Ed Waters, Sally Spaid, Bruce Kircher, El Louise Neilson, Frank Hull, Gary Driggs, Jan Cady, Norma Darrah, Bob Wallace, Dick Marks, Gene Shanks, Joan Falk, Mary Ellen Martin, Ada Webb, Idella Udall, and Mary Jo Wimberly were the players.

Memories From The

When students look back on the year 1948-49 at North Phoenix High, many enjoyable moments will come alive once more. One of the brightest spots in the school year was the presentation of the dramatic production, "Liliom."

Three months of faithful practice went into the finished product. The characters were chosen carefully and each seemed to fall into his part with a will. Stage props were accurately and colorfully executed by Miss Frances Kapanke's art class, Mr. Frank Gilleland, and the stage crew.

HERE, IN A suspenseful scene, Liliom tries to reason with his friend, the shady character, Sparrow.

All School Play

Every character was portrayed with vivid reality. "Liliom," the cruel, but good hearted, husband of Julie, was played by Larry Hinshaw. Julie, sweet, gentle, kind, was brought to life by Bonnie Lou LaZarr. The scheming Sparrow was portrayed by Gene Shanks.

Many others contributed life and breath to the final release. When the curtain made its final descent on the last act of "Liliom" no words were needed to say it had been a smashing success, something unforgettable that will always bring back pleasant memories of North High's 1948-49 drama season.

Mrs. Duncan, we take our top hats off to you for the direction of such a wonderful event. For no one could have equalled the effort you, the cast, and the stage crew put out. We thank you for the lovely souvenir of the year you have given us.

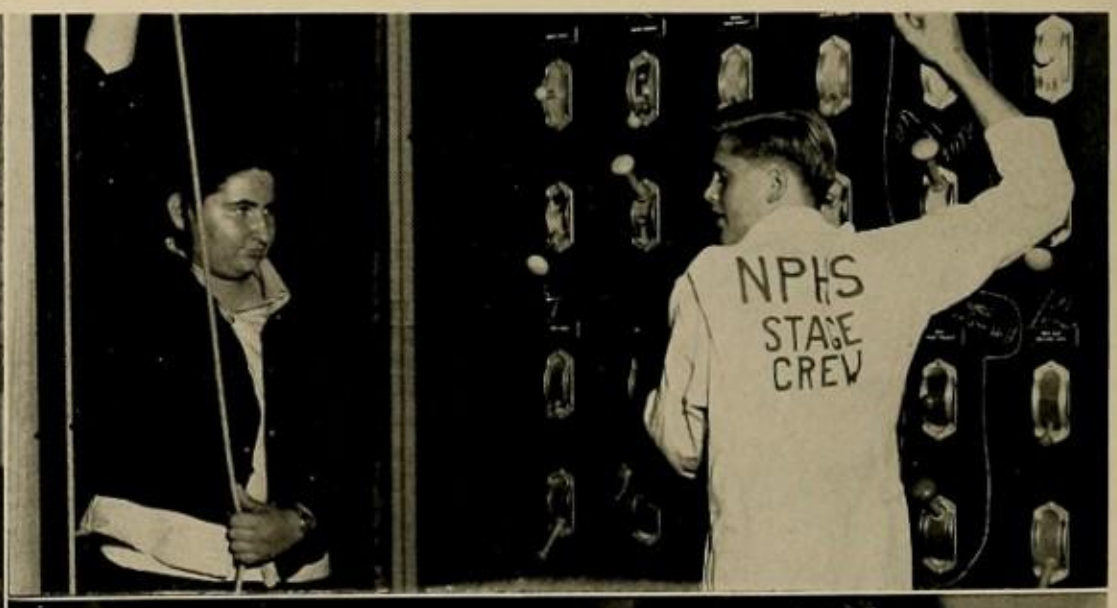
Getting Footlight Fever

Dramatics presentations afforded much pleasure to assembly audiences. The one act plays of the various drama classes were always welcome. But there is more to presenting an assembly than just the acting. The stage crew handled the scenery, lights, and other unglamorous tasks that go into an enjoyable morning program with as much talent as the actors themselves.

The crew realized that the lighting and scenery play a very important part in the success of a play and gave their best efforts in doing their job.

The actors themselves applied their own make-up. Being trained for it, they did the job almost professionally.

BEHIND THE SCENES—Upper Left: Student actors rehearse a scene from the one act play, "Trenton to Camden." **Upper Right:** The electricians play an important part in presenting a successful play. **Lower Left:** Another important branch of the backstage crew, the scene shifters, switch scenery between acts. **Lower Right:** Actors apply their own makeup. They learn the art in their drama classes.



Proofread

And Perfect

MUSTANG ROUNDUPS CHIEFS—Editor Fred Hanna and Managing Editor Nan Taylor.

The Mustang Roundup has done a wonderful job in keeping the students of North High informed of all the events and happenings of the school. The fifteen issues during the school year plus the April Fool Issue have been a lot of work, but the staff would not have missed the fun they have had along with the work of producing the paper every two weeks under the guidance of their adviser, Mr. John C. Raymond. They are proud of the fact that through this work they have won the All-American Rating for the paper.

The Roundup is growing and improving with each year. This year brought a new type of make-up for the paper, many special features, and the new comic strip. Also, an effort was made to expand the coverage of personal news. Journalism class students served as reporters, while publications class students carried out the variety of other tasks so necessary to the production of a modern high school newspaper.

ROUNDUP STAFF MEMBERS — First Row: Fred Hanna, Stan Burroway, Shirley Eccleson, Terry Campolongo. **Second Row:** Nan Taylor, Nancy Krenek, Joann Sypherd, Arlene Huskison, Laurie Glazer. **Third Row:** David Horowitz, Wesley Johnson, Fred Mendelsohn, Don Blomquist. Not shown is Robert Olafson.

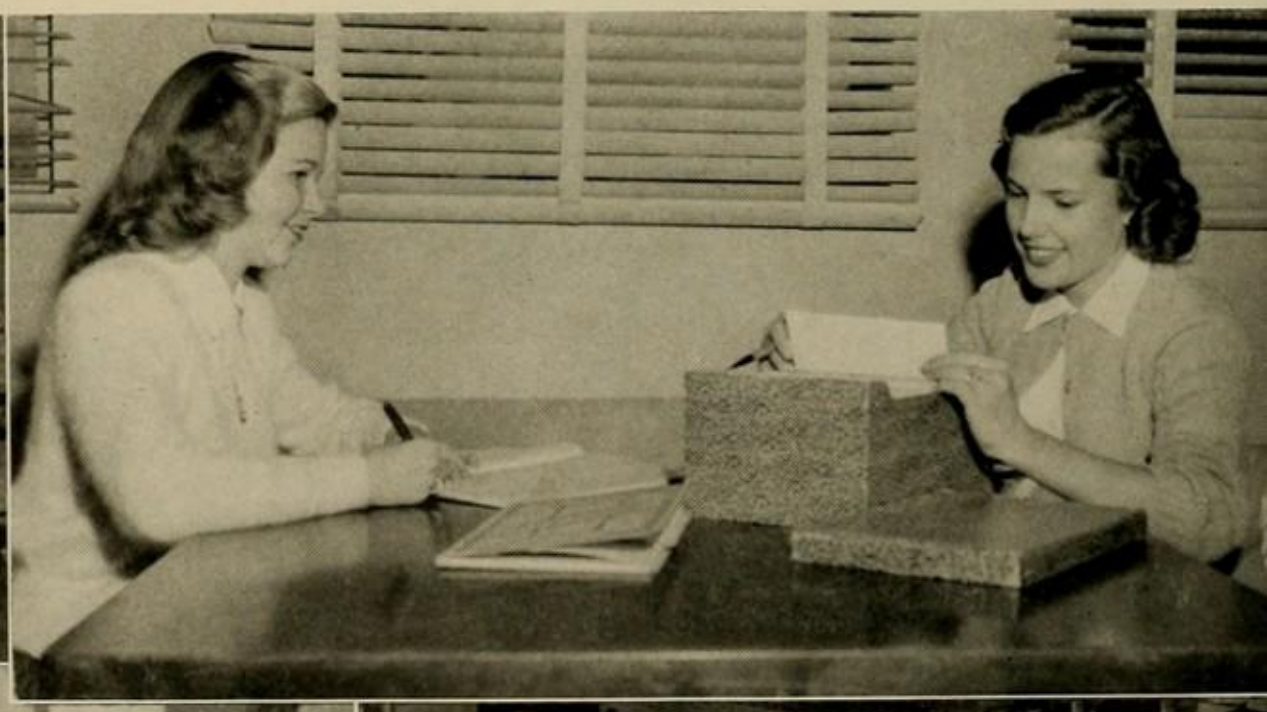
This Is Our Best

The 1949 Hoofbeats came into being during the summer of 1948. This was the planning period. The actual work started with the beginning of school. During the Fall and Winter, pictures were taken covering every phase of school life. The dummy of the yearbook was beginning to look like the finished product.

As Spring came, the annual staff completed the book in a final rush against the deadline. Then the staff members took time to draw breath, waiting while the book was in the hands of the printer until it could be finished and presented to you.

MEMBERS OF THE HOOFBEATS STAFF—Upper Left: Section Editors Sharon Smith, Jo Hared, and Marilyn Dunlap. **Upper Right:** Business Manager Mary Groh and Advertising Salesman Betty Joe Tompkins. **Lower Left:** Typists Ann Atkins and Gerry Colyer. **Lower Right:** Section Editors Terry Campolongo, Vivien Justice, and Beverly Berlett.



HANDBOOK STAFF — Clockwise: Barbara Rodgers, Shirley Eccleson, Pat Bryant, Glen Donaldson, Dick Brown, Robert Olafson, and Arlene Huskison.

Credit Where Credit Is Due

Another publication was added to the productions of the Journalism Department this year —the Mustang Handbook. In this handbook was information of value to every one associated with North High. Perhaps the most important function of the book was to acquaint the student with the government, administration, and social life of his school.

Behind the scenes of North High's publications—the annual, paper, and handbook—the work of many is essential for a smooth-running department. Without the help of those who did not gain wide recognition for their work, these ventures would not be possible.

INDUSTRIOUS PUBLICATIONS STUDENTS—Upper Left: Arlene Huskison, Jo Sypherd, Wes Johnson, Shirley Eccleson. **Upper Right:** Laurel Glazer, Kay Rhodes, Helena Spear, Robert Pettycrew. **Center:** Departmental Photographers Norman Pedersen, Harry Reger, Tommy Porter, Edwin Lee, Don Miller, Tommy Bentley. **Lower Left:** David Horowitz, Nan Taylor, Fred Hanna, Stanley Burroway. **Lower Right:** One of Mr. J. They Make North High Famous

Probably the busiest club of all this year was the Lettermen's club, sponsored by Coach Rollie Caldwell. Boys are eligible for this club if they have earned a letter in basketball, football, baseball, track, tennis, or any other sport at this school.

In November the club sponsored a carnival with booths of all kinds, ranging from a fortune teller to dart games and cake sales.

All students will undoubtedly remember the basketball game on March 7 sponsored by the Lettermen, in which the Juniors walloped the Seniors. Before the game there were boxing matches, wrestling matches, bar acts, and other entertainment. All the proceeds from this event went to the Mustang Corral.

Officers for the year were Dale Hogue, president; Del Taylor, vice-president; and C. L. Johnson, secretary-treasurer.

Below are our pride-and-joy freshmen brains, all of whom made 14 or more grade points their first semester at North High, which made them eligible for the Parnassus Club.

First semester officers were John Rosenberg, president; Bob Thoeny, vice-president; and Dorothy Seeger, secretary-treasurer. Officers for the second semester were Bob Thoeny, president; John Rosenberg, vice-president; Francis Warner, secretary; and Barbara Bowman, treasurer.

Learning Sportsmanship

Every student was there—at all the games, cheering for North High and the Mustang teams.

Sometimes the cheering section was yelling for a team that had won; and sometimes, urging a losing team to fight on. But whether it was a mediocre game, with a less skilled team from another school, or a game for a state championship, the student body was there rooting for its representatives on the field.

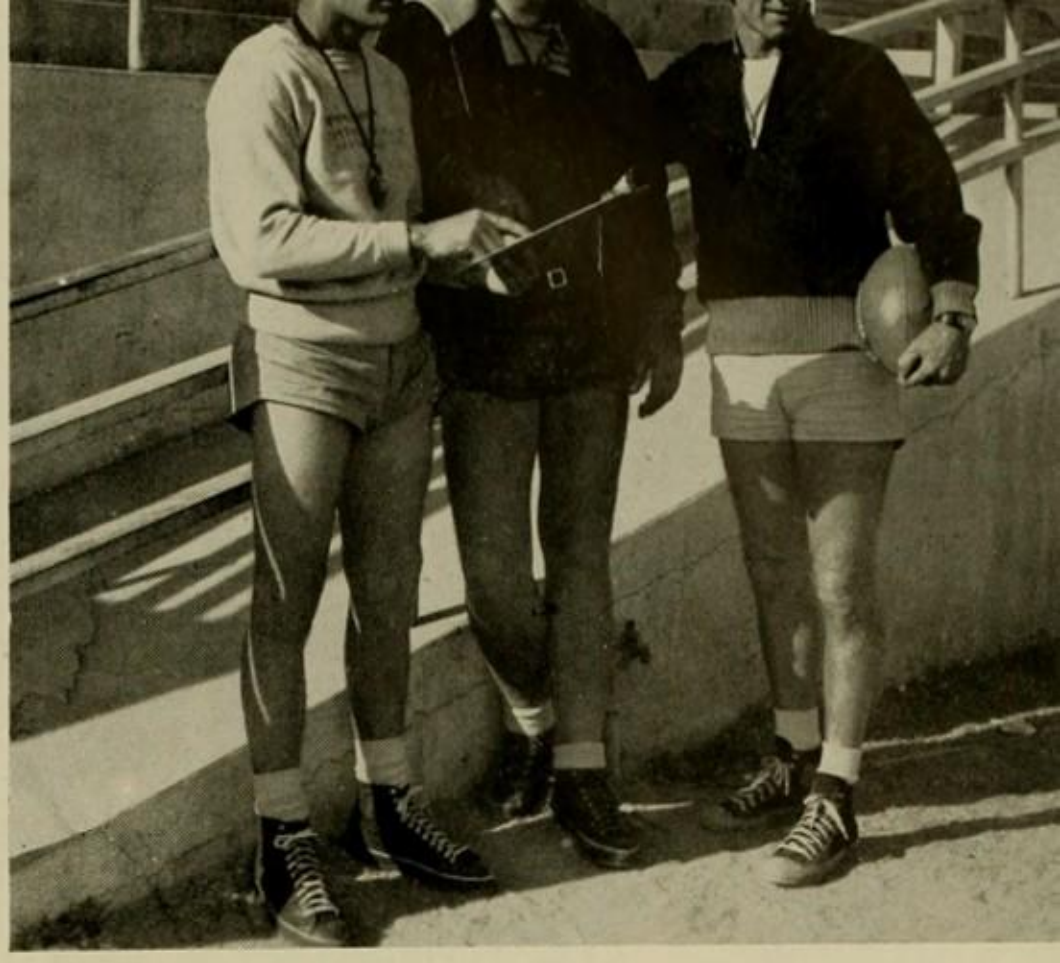
Dig, Contact, Drive–Words That Meant Work, Work, Work!



STRATEGISTS—Planning the Mustang onslaught are Head Football Coach Walt Ruth, Assistant Coach Claire Van Hoorebeke, and Colt Coach Don Pace.

On September 1, Coach Walt "Cowboy" Ruth met approximately 125 eager football aspirants. With a bare seventeen days to prepare for the season opener against the Knights from St. Mary's he spared little ceremony. The coach surveyed the boys momentarily and then said, "This game isn't intended for guys who can't take punishment. It is a rugged grind. In the days to come you boys are going to be introduced to just what we mean."

Whatever doubt the coach's opening remarks had met with, soon vanished. Those who couldn't keep the pace fell by the wayside as the original number swiftly diminished to a working strength of three and a half teams. As the season wore on, even this group was cut down until Coach Ruth and his line coach assistant, Claire Van Hoorebeke, had under them a squad of less than two strings.

Football is far from being an easy game. Not only does one have to know how to play but he must love the game. It takes a real devotion to go through the endless calisthenics, races, and plays. Those who fell by the wayside had to play their football from the grandstands. It takes a good sportsman to play football—it takes a better sportsman to step aside so someone else with better ability can take his place.

Those who succeeded in making the squad worked their hearts out. The feeling of tireless spirit dominated the North High practice field. It seemed we were plagued by injuries this year, but never was there a game that North High wasn't in all the way. We lost as we won—fighting.

For The Backfield—Glory and Bruises

With spirits and hopes at a high pitch, the Mustangs sailed into their season opener with the Knights. Trailing dangerously as the game neared its end, the North Phoenix eleven in a last minute desperate surge put over the tieing score and converted the extra point for a 7-6 victory.

The following weekend, the Mustangs received their first setback at the hands of the Jackrabbits. Battling the Rabbits on even terms for three quarters, the reserve strength of the Mesa squad finally spelled the difference as the Horses fell, 34-7. Outweighed more than fifteen pounds to the man on the line and ten pounds in the backfield, the North Phoenix gridders won the respect of their Mesan onlookers with their "never-let-up" attitude.

Did Someone Mumble "Rugged"?

The Mustangs shifted into second gear after their Mesa defeat and rolled over the Glendale Cardinals, 35-12. Their winning streak started again. North High's fighting eleven met Tucson, October 8, only to be drowned in a 28-0 shutout. The following two weeks the Mustangs worked relentlessly on the practice field, but seemed to sink farther and farther down, with two defeats at the hands of Bowie, 25-15, and El Paso, 28-13.

There was a sizeable cloud of dust flying when the Mustangs took off on the warpath to revenge their swollen loss column. Vengeance was what they wanted. Vengeance is what they got.

On October 29 the Prescott Badgers marched into town with hopes of adding insult to injury and giving the Horses their fourth straight loss. They went sprawling that night at Montgomery Stadium as the Mustang crew slapped them for a 28-7 loss.

Another invading team, this one from Yuma, put its bid in for victory and went down in similar fashion, 32-12, as the North Phoenix combination began to click in preparation for the Turkey Day fracas.

The "Experts" Got a Minor Shock

Down at the Albuquerque homegrounds, the Mustangs had their win string cut short as the Bulldogs of New Mexico handed them a 28-7 defeat.

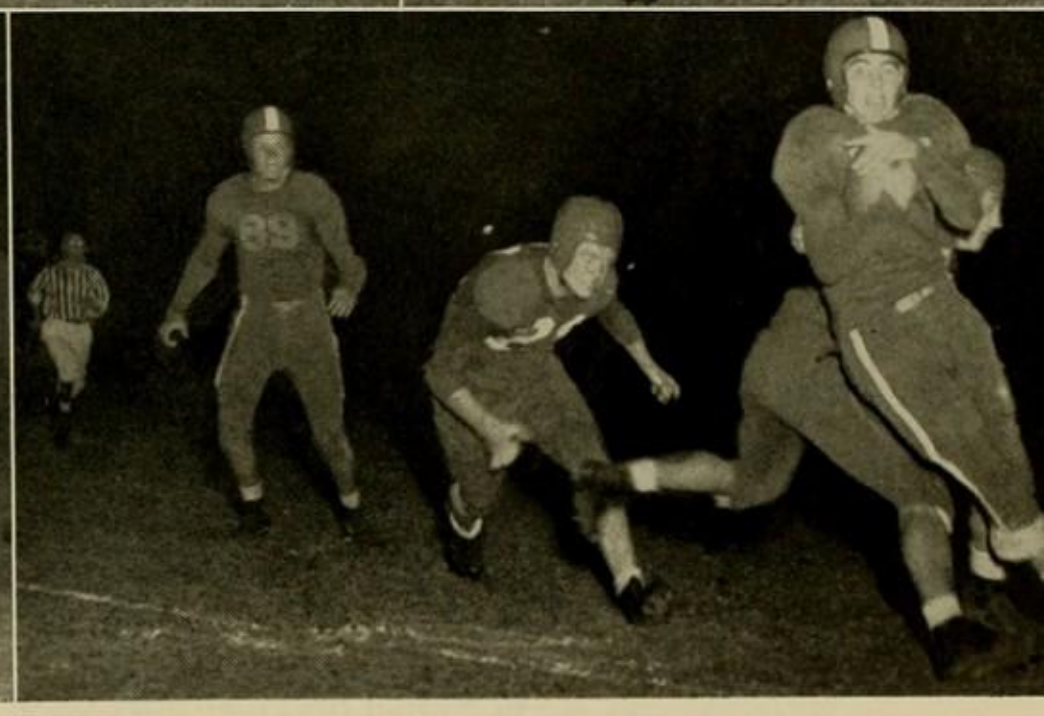
With the Albuquerque defeat hanging over their heads and the Phoenix Union game next on their schedule, the Mustangs took two weeks for solid practice. New and old plays alike were viewed and reviewed. The practices were long and as grueling as any North High team has ever seen.

Came Turkey Day and the "Big Baby" was at hand—the vital season's game with our arch cross-town rivals, the Coyotes of Phoenix Union. The picture was by no means bright. The Mustangs were rated from two to five touchdown underdogs, but no one in the North High rooting section was calling it quits.

In the most exciting game of the year, an inspired North Phoenix team fought a grim and relentless battle for a scoring opportunity.

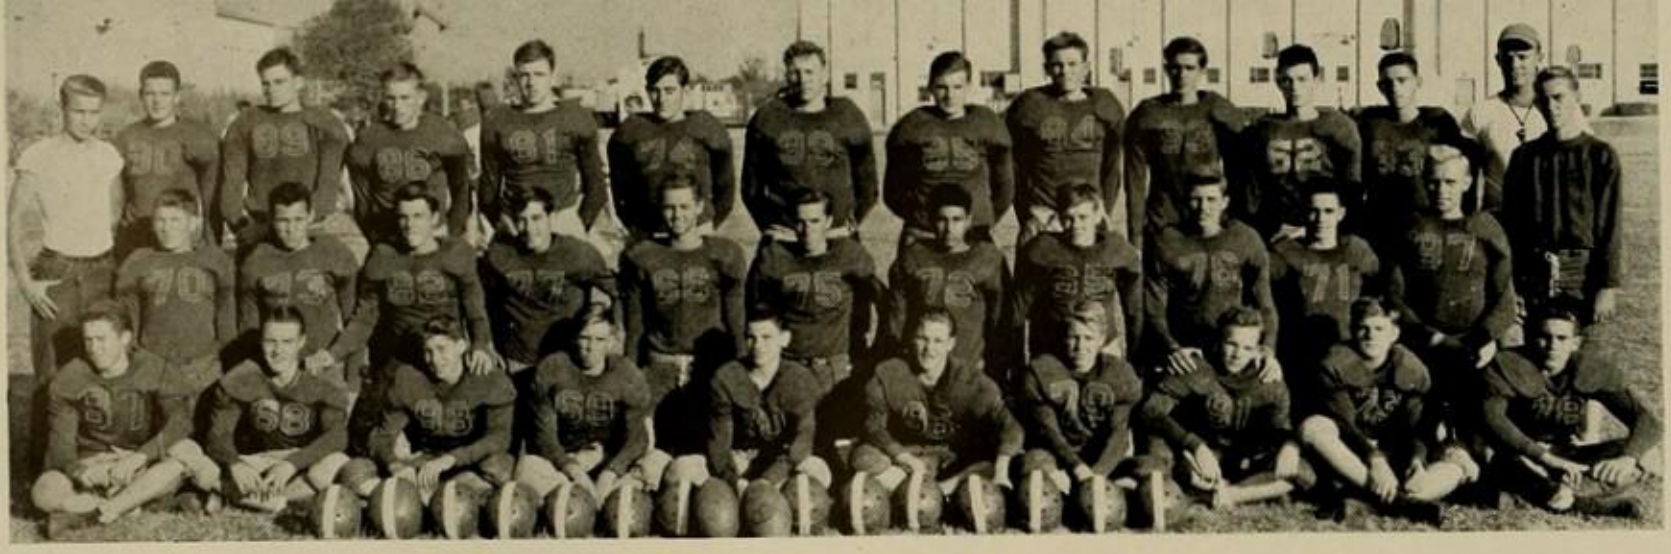
Throughout the first half, the battle raged up and down the field, each team held in a firm deadlock. Midway in the third quarter Coyote quarterback Bill Culton passed to Bob Cannon in the end zone for the score which spelled the Mustang doom.

At the end of the clash, the Coyotes, thankfully held a one touchdown advantage and a great respect for a heroic underdog squad.



ACTION WASN'T LACKING—Top left: Mitcham breaks through a Glendale line hole into the clear and begins to gallop for pay dirt. **Top right:** Shafer finds a St. Mary's end stopping his line plunge attempt. Mitcham foils a blocking assignment. **Middle left:** A Mesa halfback couldn't get by Teeter and Kendall as the two tacklers bring him to ground. Rosenberg and Nichols charge in to insure the stop. **Middle right:** Taylor prepares to stiff-arm a tackler as he breaks into Tucson territory on a pass play. **Lower left:** A Badger attempt to drag Hammon to the ground as he skirts the right end. **Lower right:** Nichols, from the fullback slot, can't find the hole and Tucson tacklers sweep in for the kill. Rosenberg runs in on the play.

VARSITY FOOTBALL—Front row: Miller, Dezember, Lucas, Rahmatulla, Mackey, Pateman, Poulos, Powers, Kendall, Marley, Melton, Miller. **Second row:** Coach Ruth, Hammon, Jenkins, Mariani, Teeter, Mitcham, Lowell, Rosenberg, Shafer, Taylor, Whisenant, Dezember, and Coach Van Hoorebeke.



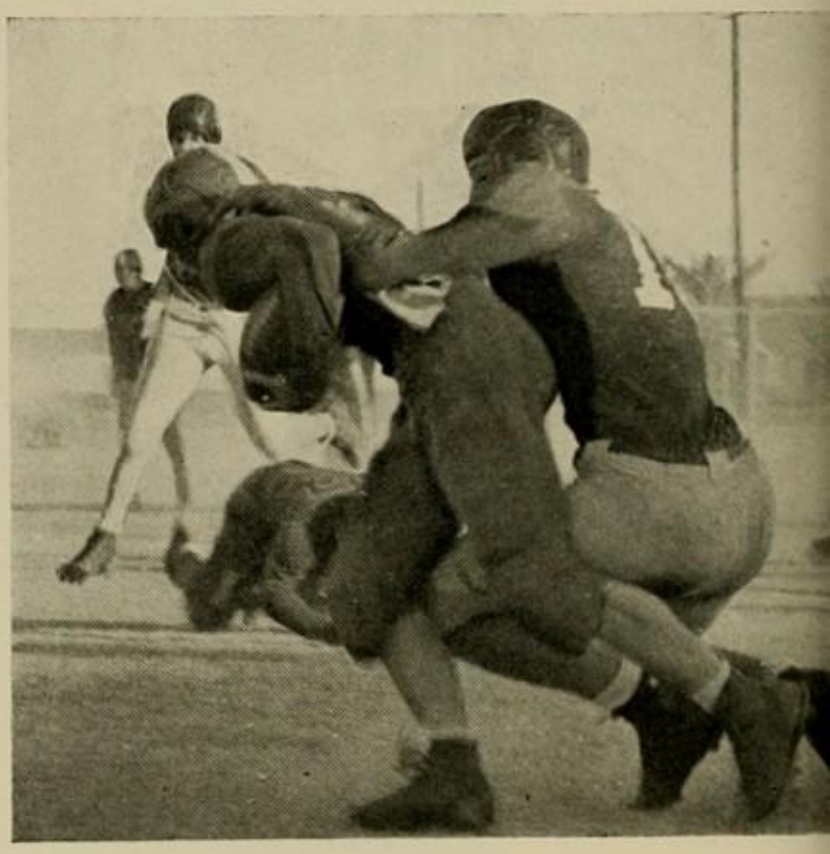
JUNIOR VARSITY FOOTBALL—Front row: Moore, Yates, Lerch, Gunn, Gotlieb, Sarten, Orton, Bixby, DeWitt, Mitchell. **Second row:** Merrill, Smith, DuBose, Higgins, Cetti, Gress, Medigovich, Simis, Diamond, Green (Captain), Bickers, Hensley (Manager). **Third row:** Wilson (Manager), McBroom, Brown, McIver, Trout, Holder, Lynn, Nelson, Asbury, Pastis, Shipley, Burnett, Coach Pace.

Tomorrow's Champions

Coach Don Pace's Colts repeated the records of last year's season, less one tie. Three games are credited to their win column, all of which were well deserved.

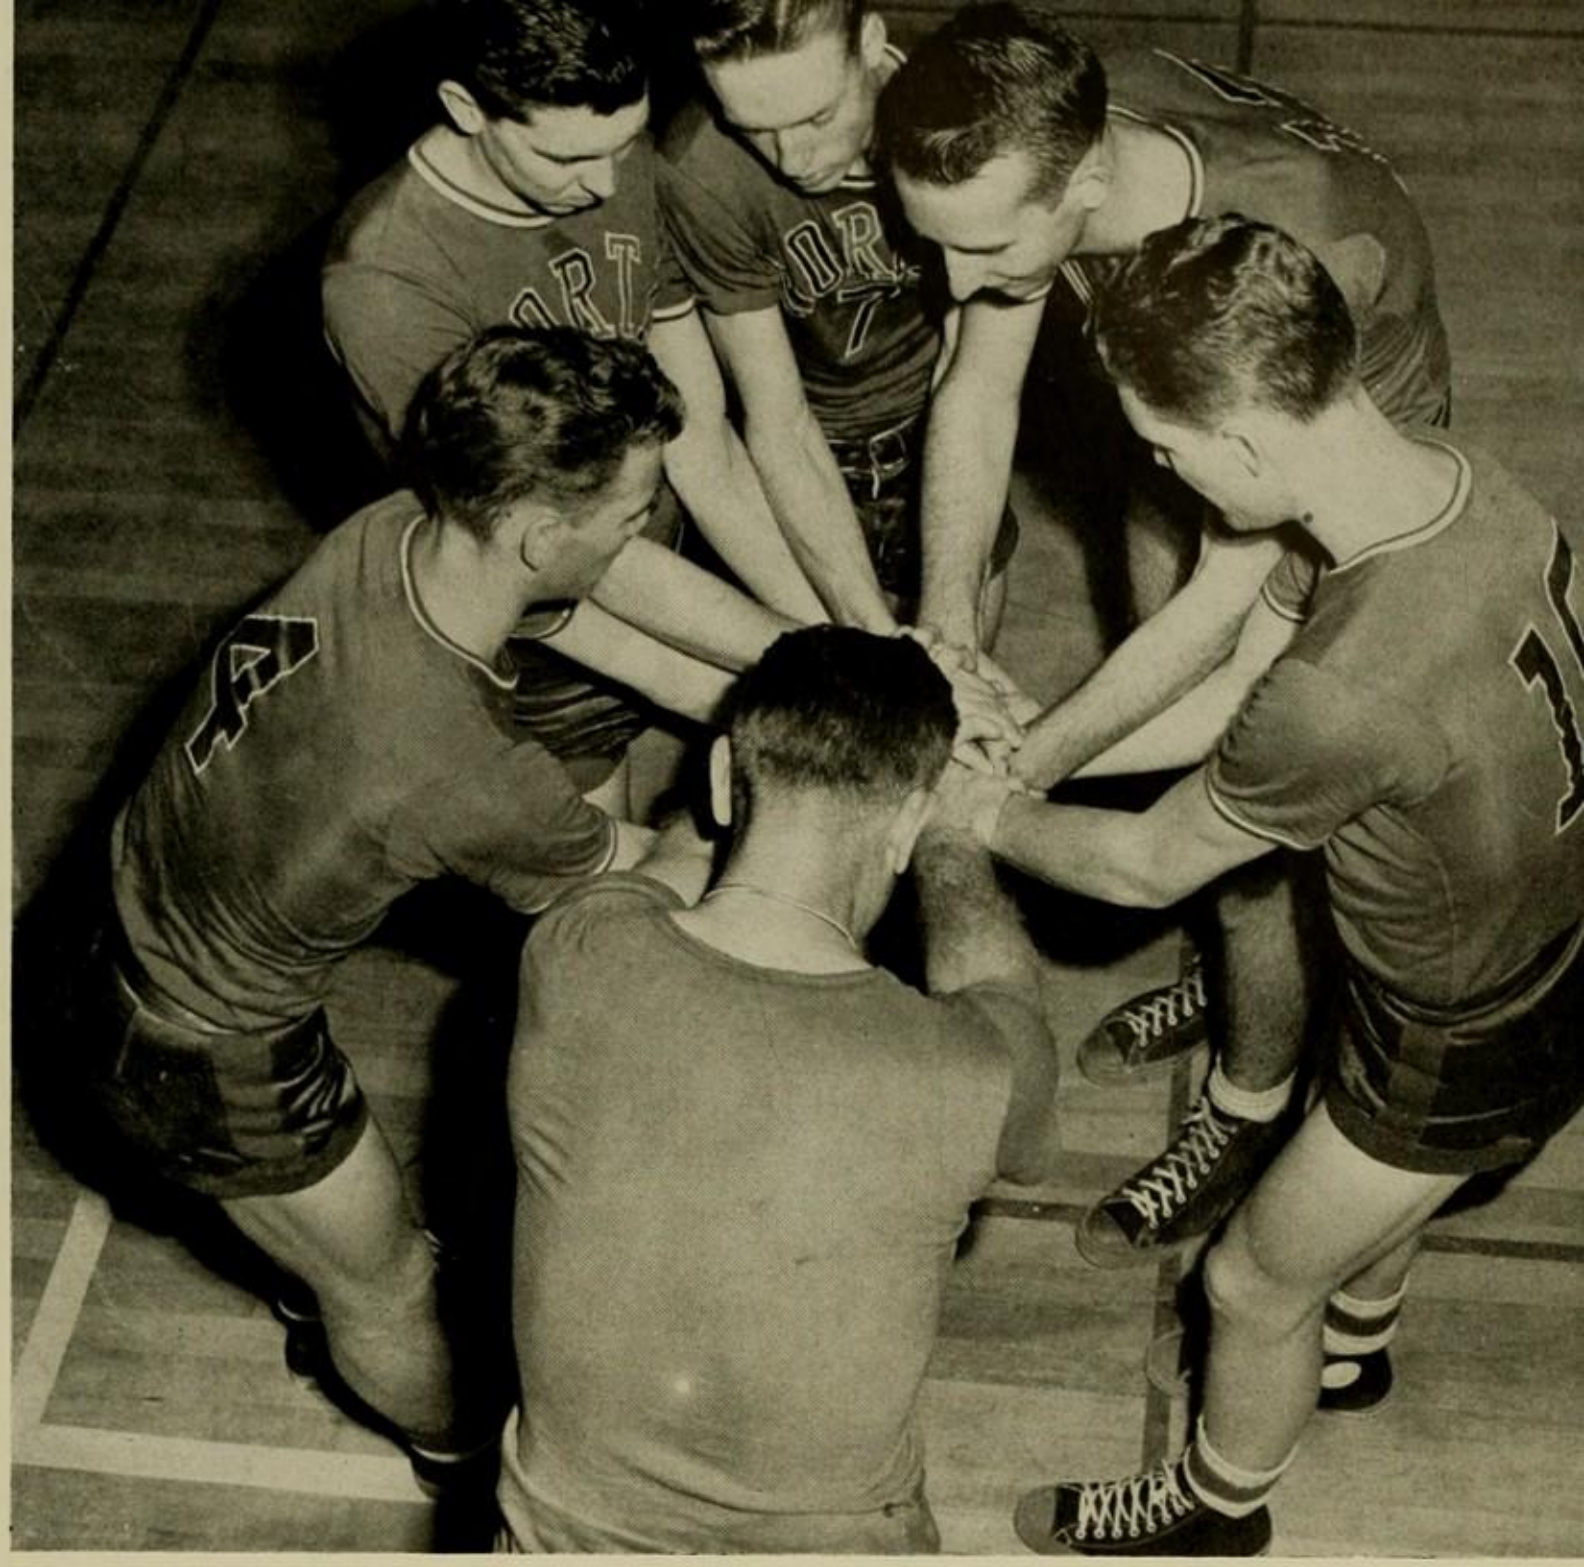
Th Colts disarmed St. Mary's Vikings twice during the season, giving them what might be phrased a "double headache." Glendale just managed to get off the field after the final gun of their second game with the Colts. The Colts avenged themselves by defeating the Red Birds after losing their first encounter. The experience gained will prove itself when these "tomorrow's champs" are North High's gridmen next year.

Under the direction of Mr. Ed Herzberg, the Freshmen equalled the Colts performance with three wins and five losses. They defeated the Junior Varsities of Indian School, Carver, and Mesa. They too, have gained the invaluable experience so necessary to make champions.



COLTS MATCH GREYS—Roland Green returns a kick-off only to be "ridden down" by a Phoenix Union player.

FRESHMAN FOOTBALL—Front row: Wimberly, Jameson, Wood, Jeffrey, Brown, Gallagher, Booher, Henderson, Mason, Allen, Alkire, Hopper, Ross, Sargent. **Second row:** Tompkins, Coppinger, Crouch (mgr.). **Third Row:** Mr. Herzberg, Dean (Manager), Breedlove, Schlarbaum, Vance, Perry, Bryan, Pace, Prock, Miller, Vance, Schilleman, Schaefer, Scarborough, Fields, Hall, Griesser, Rafter, Chapman, and J. Schilleman (asst. coach).



WITH A BARE FEW SECONDS till game time, Mustang team mates and coach clasp hands for an extra "good luck," an "give-it-all-you've-got" pre-game boost. **Clockwise:** Coach Rolly Caldwell, Mac McMullan, Gordon Reader, Larry Reed, Ed Marsom, and Jim Reiman.

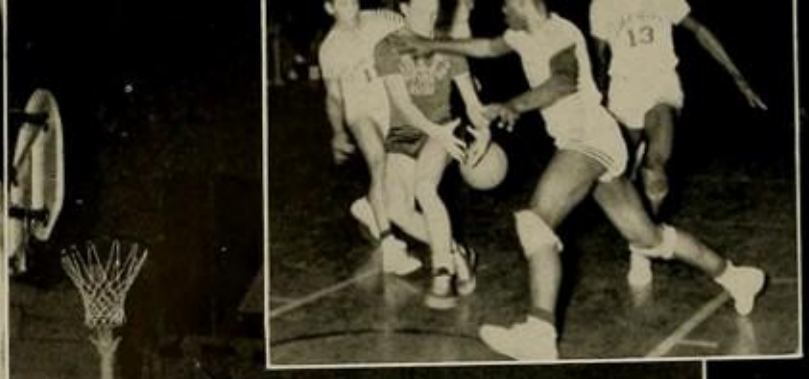
From Hard Ground To Hardwood

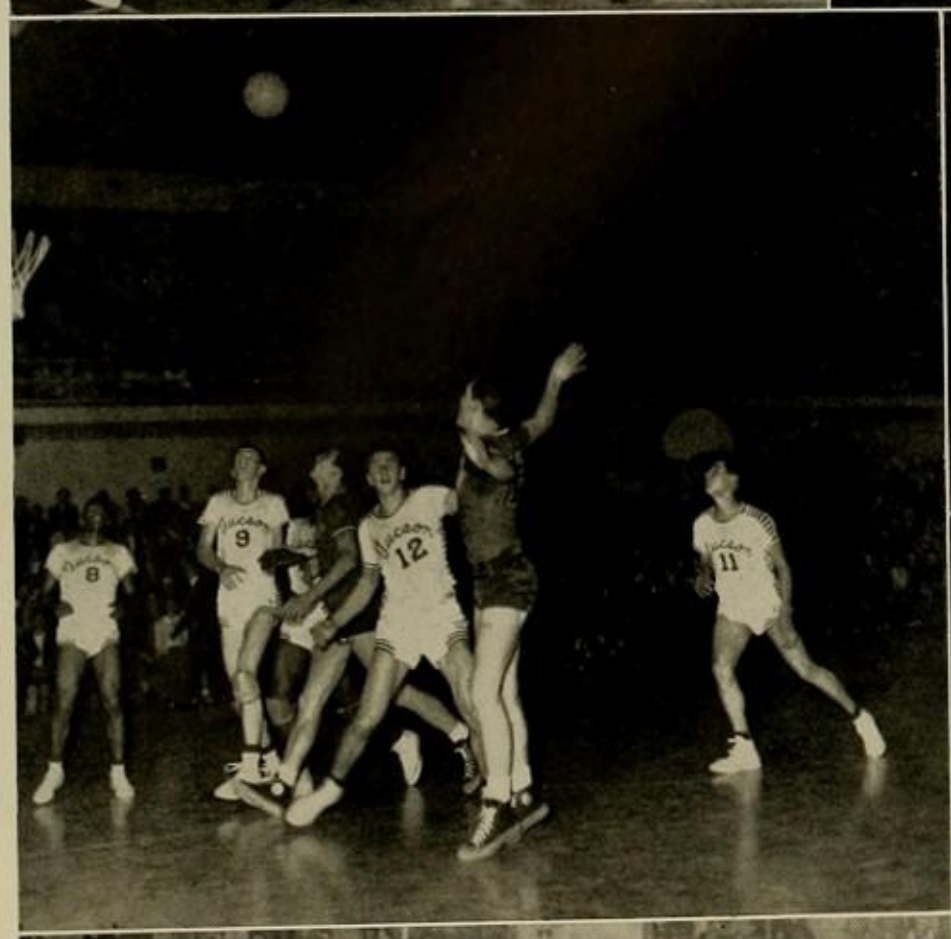
Long before the final head had been bumped out on the football fields, prospective Mustang hoopsters were hard at work sharpening eyes in an effort to make Coach Rolly Caldwell's 1949 basketball club. With five first-stringers of the '48 squad lost as graduates, the potential capabilities of a completely revamped team looked questionable indeed. Minus the talents of such experienced players as Max Dunlap, Leland Barlow, Elmer Bradley, Boyd Clements, and Don Hargraves, the pre-season problem was to evolve an experimental group capable of downing the Monarchs in the Carver-North Phoenix opener.

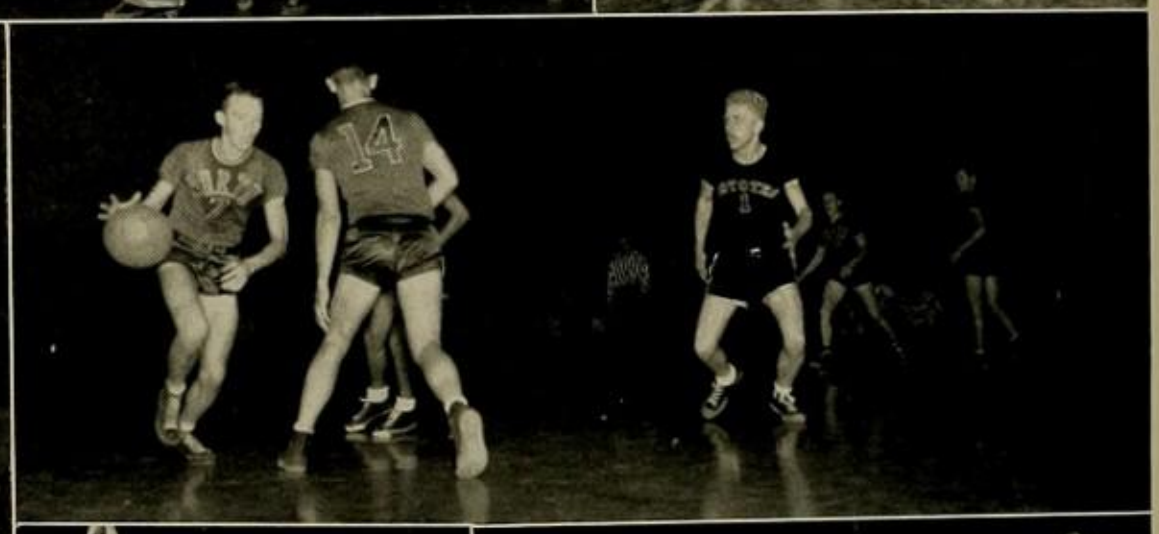
Even in the face of the difficulties, by game-time Coach Caldwell had put together a bunch which proved to be throughout the season a consistent and capable first-string. Mac McMullan and Gordon Reader at the forward posts, Jim Reiman and Larry Reed at the guard posts, and big Ed Marsom down center, stood as the base of fire in the Mustang offense-defense game.

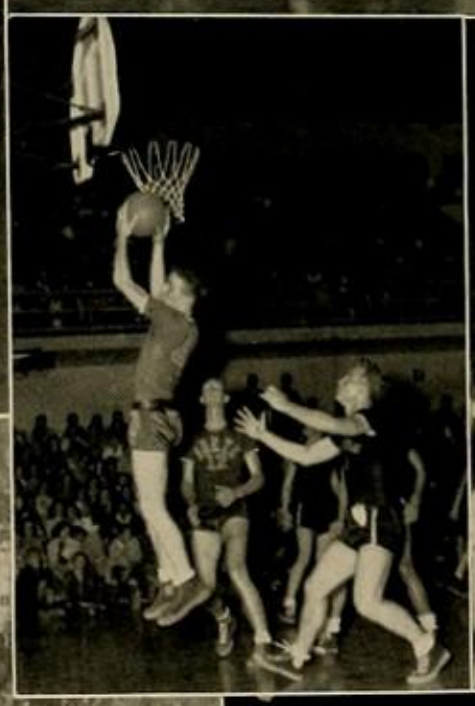
On December 3, the North Phoenix assault got underway against an invading Carver quintet. The overwhelming 59-25 defeat the Monarchs received served to herald the similar fates that twelve teams had dealt them throughout the season. Amphitheater on the following night, and the St. Mary's Knights the following week were blasted, 45-26, 58-32, as the early season expendables to the Mustangs' win-string. Tucson's amazing state champion squad met an invading Mustang group down at the Old Pueblo and gave them their first season setback as a parting gift, 42-26.

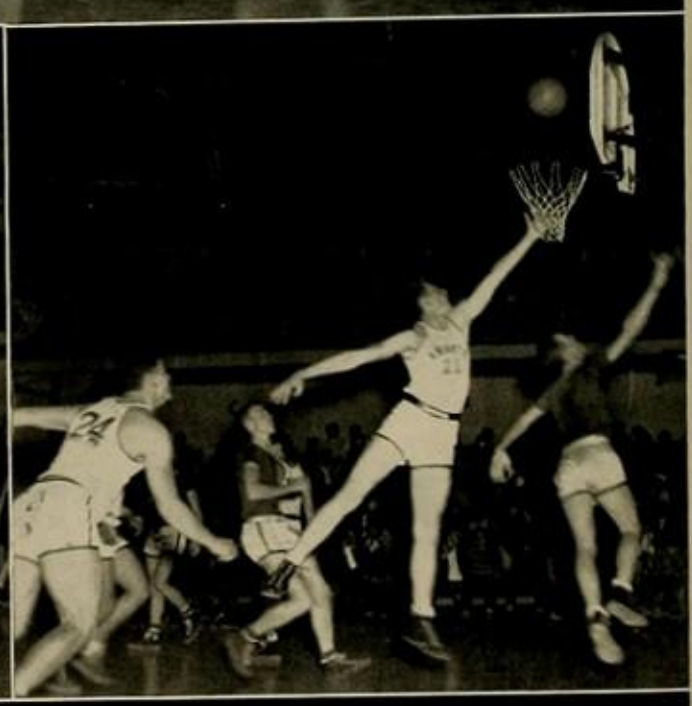
A victory over Phoenix Tech, 49-41, a loss to their arch cross-town rivals from Phoenix Union, 46-42, and another win over the Mesa Jackrabbits, 44-40, preceeded a double loss series again to Tucson, 38-31, and again to the Coyotes, 68-45.



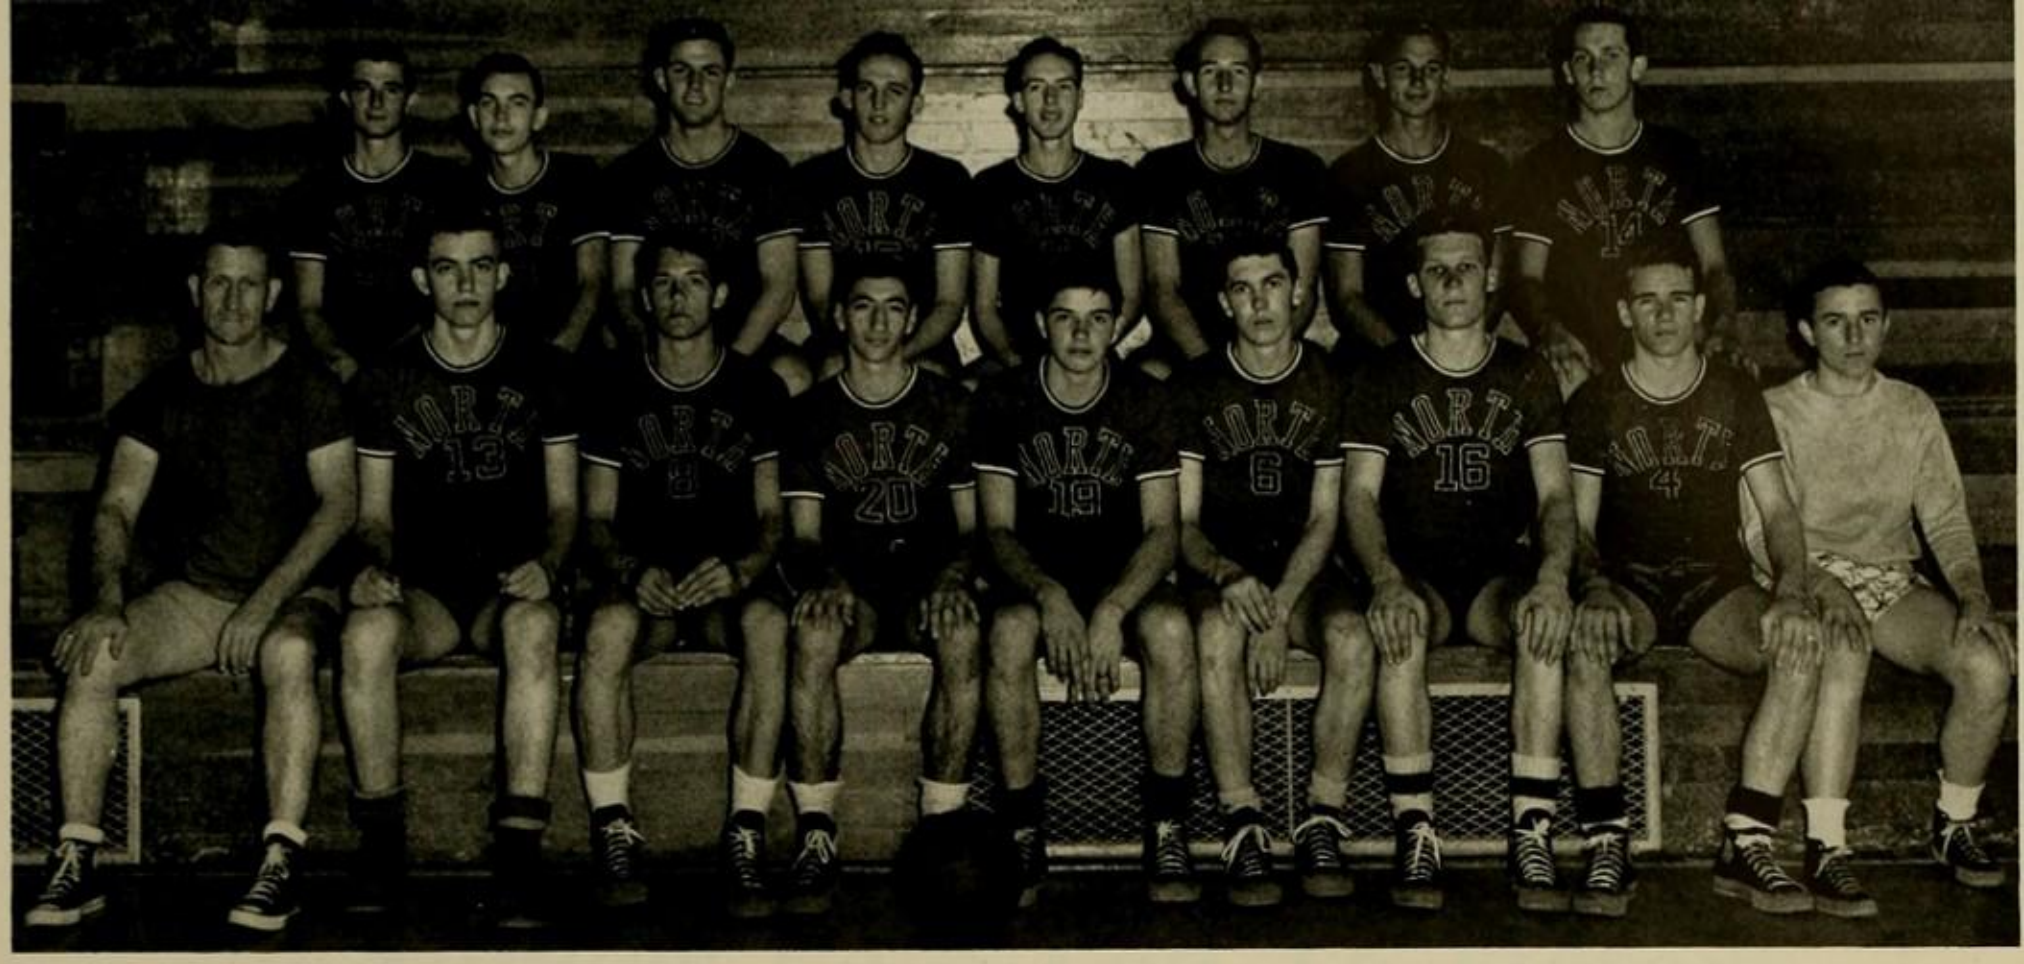








HARDWOOD HIGHLIGHTS—Top Left: Denney and McMullan leap high over the heads of defending Tucson players to snare a rebound as Sutton waits for the pass. **Top Center:** Reiman hooks a shot past three defensive Monarchs. **Top Right Center:** A loose ball has Reiman the center of attention of four surrounding Badgers. **Top Right:** With teammates waiting under the basket, Denney makes a one hand lay up. **Middle Left:** Reiman fires a two-hand quickie. **Middle Top Right:** Reed takes a handoff from Denney and dribbles deep into Coyote territory. **Middle Lower Center:** McMullan sails into the air to snare a backboard bounder. **Middle Lower Right:** A tricky one hand hook shot evades Knight's vain defense attempt. **Lower Left:** Marsom jumps against Tucson guard in game opener. **Lower Right:** Denney punctures Tucson ground on a handoff from McMullan.



VARSITY BASKETBALL—Front Row: Coach Caldwell, Sutton, Mitcham, Karam, Chambers, Reader, Reiman, McMullan, Miller (Manager). **Second Row:** Bennett, Woolford, Thompson, Beardsley, Reed, Marsom, Hammon, Denney.

It Was Rough, Rapid, And Reckless

On the rebound from this double dumping, the Northsiders wrought rapid revenge in a sudden six game win spree, marred only by a defeat by Mesa at the halfway point. Prescott, on January 22, fell by the wayside, 58-36. St. Mary's felt the sting of Mustang victory, 43-35, and the Cardinals up from Glendale succumbed, 55-52. A loss to Mesa, 46-38, ruined a "six straight" title but failed to jinx the Horse victory streak.

Yuma on two successive occasions went under the carpet, 40-37, and 45-36, as the Crims failed to work past an effective Mustang defense. Glendale the following week took a 66-45 trouncing in the last game of the North Phoenix 1949 Class A schedule.

And then the State Tourney. In the opener with Prescott, the Horses proved once again that they were more than a match for the Badgers and coasted to an effortless 66-32 win. The following night, in what proved to be one of the most exciting games of the year, the North Phoenicians faced a state champion team from Tucson, a team slated to overwhelmingly defeat the Mustangs. In a surprising surge for leadership, the Horses amassed a halftime margin lead, 26-20, and threatened to break the back of the Badgers' fifty successive game wins. Only in the fourth quarter of the hectic contest, sparked by a desperate offensive attack, did the Tucsonians succeed in tieing the score and marching to a final victory, 50-38.

For The Varsity—Future Talent

For the Mustang Junior-Varsity, the outlook was even more encouraging at the season's end, as Coach Don Pace's group coasted to a final standing at 11 games won to a bare 5 defeats. In a menacing bid for early season leadership, the Colt squad bowled over five straight teams, before receiving their first setback.

Victims in the onslaught were Carver, Amphitheater, Phoenix Union, Tucson, and Phoenix Tech quintets, before Phoenix Union, in a return engagement, and Mesa edged out victories over the Jay-Vees. Another three-game win-streak against Tucson, Phoenix Union, and Prescott followed in rapid succession. In the close to the 1949 season, a see-sawing series saw alternate double wins over Glendale, a split with Yuma, and losses to Phoenix Union and St. Mary's.

Though the final record of the North Phoenix Frosh did not produce a win column quite as colorful as their Colt or varsity brothers, Coach Claire Van Hoorebeke's charges learned more than a little about the complicated groundworks of high school basketball. The season's result claimed 6 wins for the Freshman to 8 losses.

Following a slim-win given up to Phoenix Union in the opener, the North Phoenicians downed St. Mary's decisively. Phoenix Union again edged out the Frosh. A victory over Phoenix Tech touched off a series of wins, again over Tech, Phoenix Union, St. Mary's, and Mesa, while losses to Prescott, Glendale twice, Phoenix Union, and Mesa were scattered evenly throughout the remaining season's activity.

FROSH BASKETBALL—Front Row: Wimberley, Soule, Barnsback, Prock, Gallardo, Olafson, Woolford, Allen (Manager). **Second Row:** Schilleman, Kimball, Walters, Bretzing, Szink, Hall, Casteilano, Fields, Rogow, Coach Van Hoorebeke.

The Cinder Path Led To Victory

Ranked as one of the outstanding Arizona State cinder competitors, Coach Don Pace's thinclads were challenged only by the Tucson Badgers. The well balanced North Phoenix crew, backboned by such versatile standouts as Gaylord Smith, Gary Prentice, Jim Hurley, Carl Wolf, C. A. Edwards, Jim Duke, and Harold Dunlap, marched to four straight decisive wins before receiving their first season setback.

In the season opener, the Glendale Cards fell without a tumble to the Mustang attack while Phoenix Union and Mesa within the next few weeks followed swift suit. The Arizona Relays at Tempe on April 9 saw Pace's squad handed their first loss in a bare one-half point edging by Tucson. The Badgers, however, made their superiority more decisive in a return meet when they swamped the Horses at the Old Pueblo.

ACTION PLUS—Tp Row Left: Junior-Varsity squad: **Front Row:** Woodward, Martini, Vance, Higgins, Gotlieb, Scarborough, Shaver. **Second Row:** Brownlow, Shoemaker, Green, Coppinger, Merrill, Ledwidge, Marley. **Third Row:** Coach Pace, Fields, Dille, Jenkins, Hall, Grippin, Bickers, Brown. **Top Center Left:** Wolf, 1948 State High Jump Champion. **Top Center Right:** Duke, pole vaulter. **Top Right:** C. Meet The Diamond Stars . . . .

While North Phoenix hoopsters were still rounding off their season slate, industrious Mustangs, with sights set at a position on Coach Claire Van Hoorebeke's revamped ball team, took to the diamond in an effor to prepare for the rigorous demands of the game.

On March 11, the Horse onslaught got off to a rollicking start against a hapless invading Yuma nine. The season opener saw the Crims lashed to the tune of a 17-2 score, while in a return engagement the following night, the Yumans found their lot little improved as they fell, 13-0. Glendale's Cardinals were sent home with a 9-0 loss present the following week.

Playing out of the Class A range, the potent Phoenicians proved their talent wasn't limited in high school circles alone. In a double-header with the U of A frosh, the Mustangs took a one-run edging put over in the last of the ninth for a 6-5 loss in the curtain raiser, but returned to swamp the Freshmen, 13-7.

March 25 saw the Mustangs trek to Mesa to donate a decisive loss to the Jackrabbit cause, and wrap up, the following night, the Knights from St. Mary's, 9-2. A return engagement with the Rabbits and the Knights saw another double thumping for the challengers, 15-8, 11-2.

Halfway through their current season, the Horse victory march really picked up steam with a win over Glendale on April 14, 8-6; and a City League victory from the Coyotes, 11-8, in which the Hosses picked up 14 hits and virtually assured themselves the City Crown with three of four necessary wins tucked under their belt.

COLTS BASEBALL—Front Row: Norton, Poulus, Banderlier, Murphy, Wright, Powell, Lee, Hoover. **Second Row:** Burnett, Rodgers, Hasl, Burgener, Fulkerson, Nylund, Maxcy, Langford. **Third Row:** Coach Belluzzi, Douglas, Diamond, Griesser, Knott, Jimenez, Gress, Alcott, Shouse.

Johnson, key first sacker, stands ready to peg the pelota down to third to trap a runner. **Lower Right:** Ace North Phoenix chucker Bob Slaughter lets go of a vicious fast ball during a stint on the mound against the Yuma Crims.

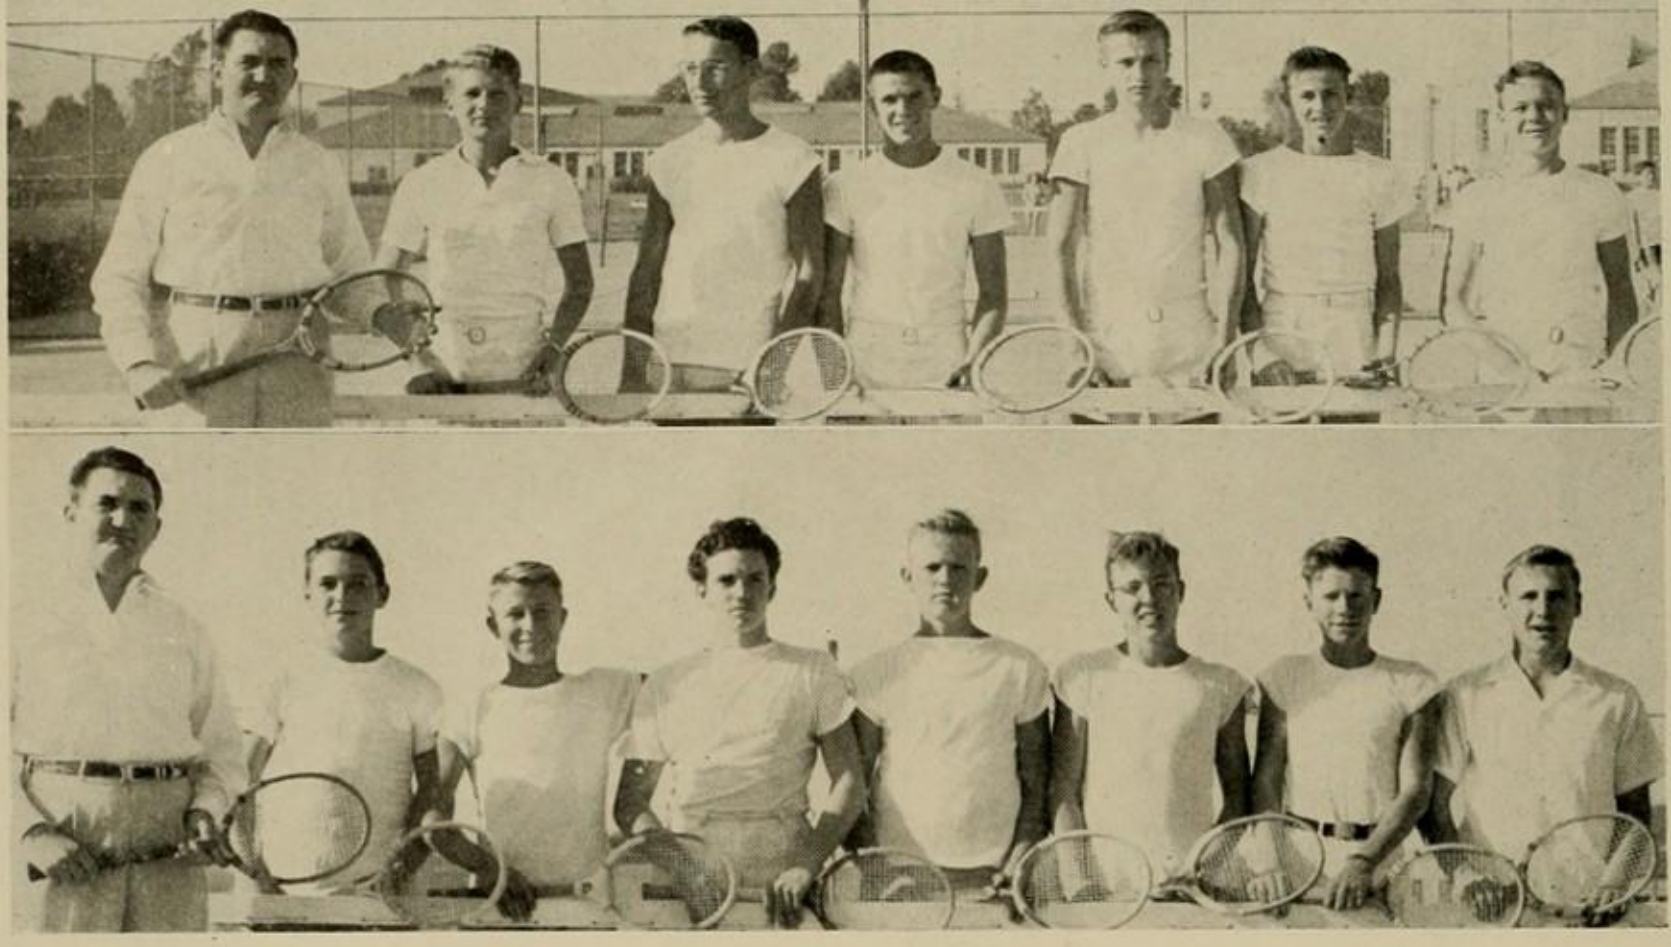
. . . . They Set A Furious Pace

Rained out at Tucson on April 1 and 2, contests with Amphi and the Badgers were rescheduled for April 18. It was at this point that the Phoenicians received their first and most uncomfortable loss. The Badgers, sparked by their hurling ace, Jim Starkey, marched to a comfortable 10-2 win. The following night the Horses crumbled the Panthers, 8-1, revenging in a small manner their previous night's loss. The North Phoenix crew settled down to await the all-important clincher to the State Class A race. It swiftly followed the twelfth season victory for the Horses, again over Amphitheater on April 22, 8-4.

Under Muny lights, the Tucsonians put the blinkers on any prospective hopes the Horses might have had for a loop lead split, as the Badgers downed them under a 12-5 score. With only the State Tourney left for a possible last ditch attack, the Mustangs waded into their remaining schedule.

Throughout the season, the Mustang line-up saw little variation to the combination of C. L. Johnson, Ross Carter, or Dan Tickle at first; Johnny Rosenberg, Dale Hogue, or Bill Dame at second; Jim Reiman, Harold Watson, or Rosenberg at short; and Bob Melton at third. The fielding staff had Ken Hammon in left, Mac McMullan in center, and Ed Lindley in right.

Bob Slaughter, Bill Glaze, Bill Denney, Tickle, Otto Hatcher, Gene Mitcham, and J. B. Sutton, comprised the able North Phoenix pitching staff, while Ken Thompson, Jack Watson, and McMullan alternated behind the plate.



TENNIS TEAM—VARSITY—Mr. Stephens, Schonthaler, Carollo, Stowell, Downs, Brown, and Perry. **JUNIOR VARSITY**—Mr. Stephens, Dunne, Allen, Martin, Grammar, Clegg, Cook, and Pateman.

Tennis And Golf

Tennis balls and shoes kept the concrete on the North High courts sizzling hot this year. The Varsity Tennis team finished with a fairly successful season. They engaged class A schools throughout the state and were present at all tournaments. This year's Varsity netters were Delton Schonthaler, John Carollo, Conrad Stowell, James Downs, Duncan Brown, and Bill Perry.

On the fairway "Fore" was the yell that commanded the attention of North High's golfers. With the graduation of last year's golf lettermen, the younger and less experienced golfers scrambled for the vacated positions and soon North High had a green, but eager team. They finished with a fair record and much experience which will strengthen North High's golf hopes next year.

United For Better Health

GAA CABINET — **Front row:** Murphy, Alexander. **Second row:** McAllister, Ong, Chastain, Thurman, Neal, P. Phillips.

Throughout the past year in girls' sports, the faculty sponsor, Mrs. Bettse Phelps, worked many hours with the Girls' Athletic Association officers, Marcella Murphy, president; Pat Phillips, treasurer; and Norma Neal, secretary, in a united effort to promote a beneficial health education program for members of GAA.

The year also included many enjoyable moments which were spent in initiation of new members, parties, and a banquet where members were awarded letters, cups, and other certificates. The Glendale-North High sport dance proved a profitable project for GAA. The money they made paid a portion of the amount needed for a week-end camping trip which terminated the year in GAA.

GAA ACTIVITIES—Upper Left: Initiating the Freshmen to GAA was fun this year, as Lois Thurman, right, gives pledge a black mark. **Lower Left:** Sue Thompson and Barbara Brown try their skill at archery. **Upper Right:** Freshmen check up to begin their first year of sports. **Lower Right:** Pom-poms are sold by GAA members to raise money for their camping trip.

GAA JUNIORS AND SENIORS—Front row: Fernstrom, Murphy, Alexander, P. Phillips, A. Phillips, Thurman. **Second row:** Moore, B. McAllister, Morries, P. McAllister, Patterson, Caviness, Lusk, Shaheen, Wyatt. **Third row:** Phelps, Luptack, Nicholas, Newby, Neal, Schler, Brookens, Bonham, Basham, Dunlap.

GAA Activity Program . . . .

Sportsmanship and skill were all a part of the everyday program, members of the Girls' Athletic Association discovered, as this year of sports was more worthwhile than ever before. Perhaps this was because of the enthusiasm exhibited by the members themselves, as they worked toward building healthier bodies, broader minds, and, most of all, better cooperation.

Girls participated in tournament games which were played according to schedule every Monday and Wednesday. Among these games were volleyball, soccer, basketball, and softball.

GAA SOPHOMORES—Front row: James, Dillion, Beckett, Lutz, Moore. **Second row:** Jolley, Chastain, Bryan, Stockton, Manker, Olsson. **Third row:** Phelps, Thomas, Korrick, Hanenburg, Dykstra, Thomas, Munsil.

TENNIS—First row: Geames, Crane, Cox, Ong, McCain, Teeke. **Second row:** Elliott, Korrick, Thurman, A. Phillips, Wilkins.

. . . . Includes Every Member

Freshmen were no longer "green" after a year of learning the ins and outs of volleyball, basketball, soccer, and baseball.

Girls' tennis was well supervised by Miss Catherine Wilkinson. The season opened with a game against Yuma, with Mesa, Phoenix Union, Tempe, and Glendale games following. Arizona Closed State was held at Tucson, March 11, 12, 13. A successful season ended with University Week, Class A Championship playoffs in singles and doubles on the University of Arizona courts.

GAA FRESHMEN—First row: Ong, Cox, Moses, Johnson, Lind, Pence, Hedgpeth, Barwick. **Second row:** McCain, Crane, Bothe, Scott, Singleton, Piggott, Martin, Romley, Daly, Leeke. **Third row:** Lane, Shadle, Ward, Gilleland, Severina, Ivy, Clemmer, Soza, Talbott, Smith, Brown, Harbin, Cole.

GAA BASKETBALL ALL STARS—Front row: Hanenburg, Martin, McAllister, Murphy, Alexander, Doremus. **Second row:** Fernstrom, Newby, Thurman, Korrick, Phillips, Romley.

Skilled Sportswomen

All stars were numbered in a year of hard practice and play. Many girls found themselves a bit disappointed when they didn't make the team, but they knew they had learned many new "tricks of the trade."

The volleyball sports day was held for different schools of the valley in a sportsmanlike tournament. Basketball all stars played with stiff competition in the sports day at Phoenix Union. Among the competitors were Mesa, Glendale, Phoenix Union, North High, and others.

VOLLEYBALL ALLSTARS—Front Row: Chastain, Murphy, Olin, Alexander, McAllister. **Second Row:** Fernstrom, Newby, D. Thomas, N. Thomas, Neal, Korrick, Thurman.
